MESSAGE FROM THE MANAGEMENT'S DESK

Ms. Ritu Bhalla
(Founder)

Little Scholars is a journey of self-discovery for a child as they grow to become young adults. The school will equip him to excel in academics, and to be savvy in through a Hybrid learning platform. The student will be encouraged to discover their interests, talents and aptitudes, and learn to form their opinions and role in society. This is achieved in a nurturing environment, where the Mentor enacts the role of a Second Parent. An important feature of this process is the school's provision of rich choices, be they in courses of academics, co-curricular activities in artistic, creative and intellectual activities, and in sports and adventure. Engagements with ecology and heritage allow engagements with the community, within the school, in rural areas, or through NGOs, nurturing the ideologies of the school motto 'Service before self'. Leadership abilities to take decisions and to find solutions are imbibed on the sports field, through social interactions, and through positions of responsibility provided in school, aiming not just to nurture the students through their formative years, but also to place them on a continuous curiosity to learn, while carrying the responsibilities of leader with understanding, intelligence, sensitivity and an inclusive attitude.

MESSAGE FROM THE PRINCIPAL'S DESK

Ms. Shikha Gautum
(Principal)

Foundation of every nation is education. The objective of education is to prepare the young to educate themselves. It is a continuous life long process and school is one of the most important components of this process. At LITTLE SCHOLARS, Kashipur the task of guiding children towards their journey to adulthood is taken up with utmost seriousness through strategically and scientifically planned steps so that the students and parents relax and enjoy the process of becoming lifelong learners. Guiding principles of NCF emphasizes on connecting knowledge to life outside school and ensuring learning is shifted away from rote methods to allow holistic development of the child. Besides the familiar academic areas life skills, thinking skills, entrepreneurial skills, sports, creative and performing art are a part of the school time table. Teaching methodology is student centred and designed to capture attention, interest & concentration. Each child has the potential to be the one who can make a difference. Given appropriate support, guidance and opportunity they can create magic that will astonish us. At LITTLE SCHOLARS each child is provided with opportunity to realize his/her potential. We work towards shaping self-confident individuals. Self-confidence has three components i.e. having skills, feeling appreciated and being responsible. Our children will be enabled to transform knowledge (what they know) and attitudes (what they feel and believe) into action (what to do and how to do). Our focus is on students acquiring precision in use of language, refined gentle manners, ability to appreciate culture, power and habit of reflection and efficiency to perform. Education is about the total configuration of ideas, practices and conduct. Schools ought to be a breathing place, providing real meaning of life for students. We continuously strive to achieve this and get better and better every day in every way.

LS EDITORIAL BOARD

The Management, Principal, and staff of Little Scholars extend their profound gratitude to the LS Editorial Board and the devoted teachers whose steadfast dedication and boundless creativity have breathed life into this distinguished edition of our e-magazine, Scholars Times.

Through your collective endeavor, you have fashioned a publication that is nothing short of a treasure trove of knowledge, ideas, and innovation. Your brilliance, artistry, and commitment have turned this vision into reality, and for that, we are deeply indebted.

A special word of thanks is reserved for our Editorial Board Student Cabinet:

- ***Anika Bansal (E-Magazine Editor, Class 11B)***
- ***Saumya Pandey (E-Magazine Editor, Class 11A)***
- ***Sayyam Agarwal (Data Organizer, Class 11C)***

whose tireless efforts have been the backbone of this enterprise. Their perseverance and ingenuity have ensured that Scholars Times is not merely a magazine, but a beacon—showcasing the collective talents and triumphs of our community.

Your contributions have made this publication a true feather in our cap, an embodiment of excellence that speaks volumes. Let us continue to raise the bar, inspiring and empowering through every page of Scholars Times, as we keep the torch of knowledge burning bright.

Sincerely,
Abdul Sami
Editorial Head

INITIATIVES AND ACTIVITIES

Setu 2025 Exhibition

The SETU 2025 Exhibition at Little Scholars School was met with enthusiastic appreciation from parents and visitors, who praised the event for being well-organized, inspiring, and impactful. The Feedback Corner overflowed with positive messages highlighting students' confidence and creativity, along with the dedicated efforts of the teachers. Adding a meaningful touch, students conducted interviews to gather feedback and insights, helping reflect on the exhibition's success and explore ways to enhance future editions. The day stood as a proud celebration of learning, innovation, and collaborative effort.

Career Counseling-law as a career

Little Scholars, Kashipur organized an insightful career talk on “Law as a Career Option” on 25th October 2025 for secondary students. The session was led by Mr. Pranav Bhalla, a distinguished alumnus of the school, who shared his inspiring journey and valuable insights into the field of law. He introduced students to various branches of law, highlighted its importance in shaping society, and discussed leading law universities along with key entrance examinations such as CLAT, AILET, and LSAT-India. Mr. Bhalla also offered practical guidance on exam preparation, emphasizing reading habits, logical reasoning, and consistency. The session was both motivating and informative, encouraging students to view law not merely as a career, but as a meaningful path toward justice, responsibility, and societal impact.

Air Modelling & Technical Training Session

On 9th October 2025, Little Scholars, Kashipur organized an Air Modelling and Technical Training Session for NCC Air Wing cadets, led by the Air Modelling & Technical Team from Pantnagar. The interactive session gave students hands-on experience in Radio Control Model Flying, Drone Flying, and Control Line Flying, helping them understand the science and technology behind aviation. The training strengthened technical skills, discipline, and curiosity while motivating cadets to pursue their interest in aviation and STEM fields. The session proved to be an inspiring and enriching experience for all participants.

Interhouse Debate Competition

Little Scholars School, Bhalla Farm, organized an engaging Inter-House Debate Competition for Classes 6–8 on the topic “Artificial Intelligence: Boon or Curse for Humanity?” Students from Ganga, Yamuna, Krishna, and Kaveri Houses showcased impressive confidence, critical thinking, and scientific reasoning while presenting their viewpoints. Winners of the competition were: 1st Place: Pragati Lakhchaura (Krishna House) 2nd Place: Aradhya Joshi (Yamuna House) 3rd Place: Anshika Dhyani (Kaveri House) The event encouraged young minds to think deeply about technology and its impact on humanity, making it a memorable and intellectually enriching experience for everyone involved.

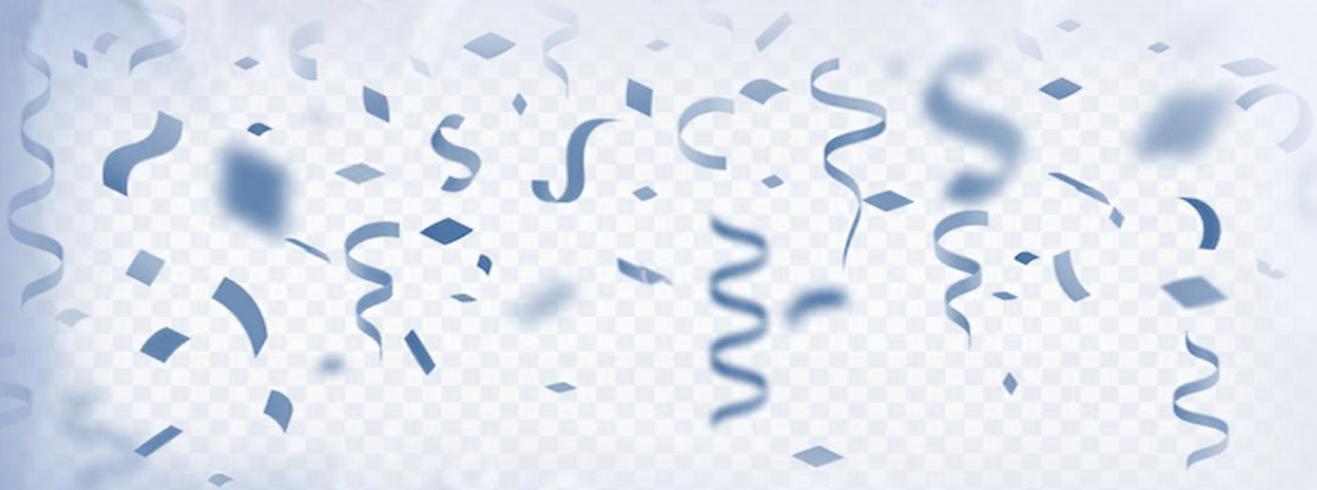

An Interactive SST Quiz

The Social Science Department successfully organized an interactive quiz competition, "Battle of Brains: The S.S.T Quest 2025," on 30th October during the 2nd and 3rd lessons in the Activity Room. The event aimed to promote curiosity, critical thinking, and a deeper understanding of History, Geography, Civics, and Current Affairs. Students from all four houses participated enthusiastically in various engaging rounds such as Rapid Fire, Visual Connect, India & the World, and Current Affairs. The quiz was honored by the presence of the Principal, Ma'am Shikha Gautam, whose encouraging words inspired students to extend their learning beyond the classroom. After a spirited competition, Kaveri House secured first place, followed by Yamuna House in second and Krishna House in third. The event, coordinated by Ms. Harshita Bhatt and Ms. Iqbal Luthra, was a great success, celebrating learning, teamwork, and healthy competition among students.

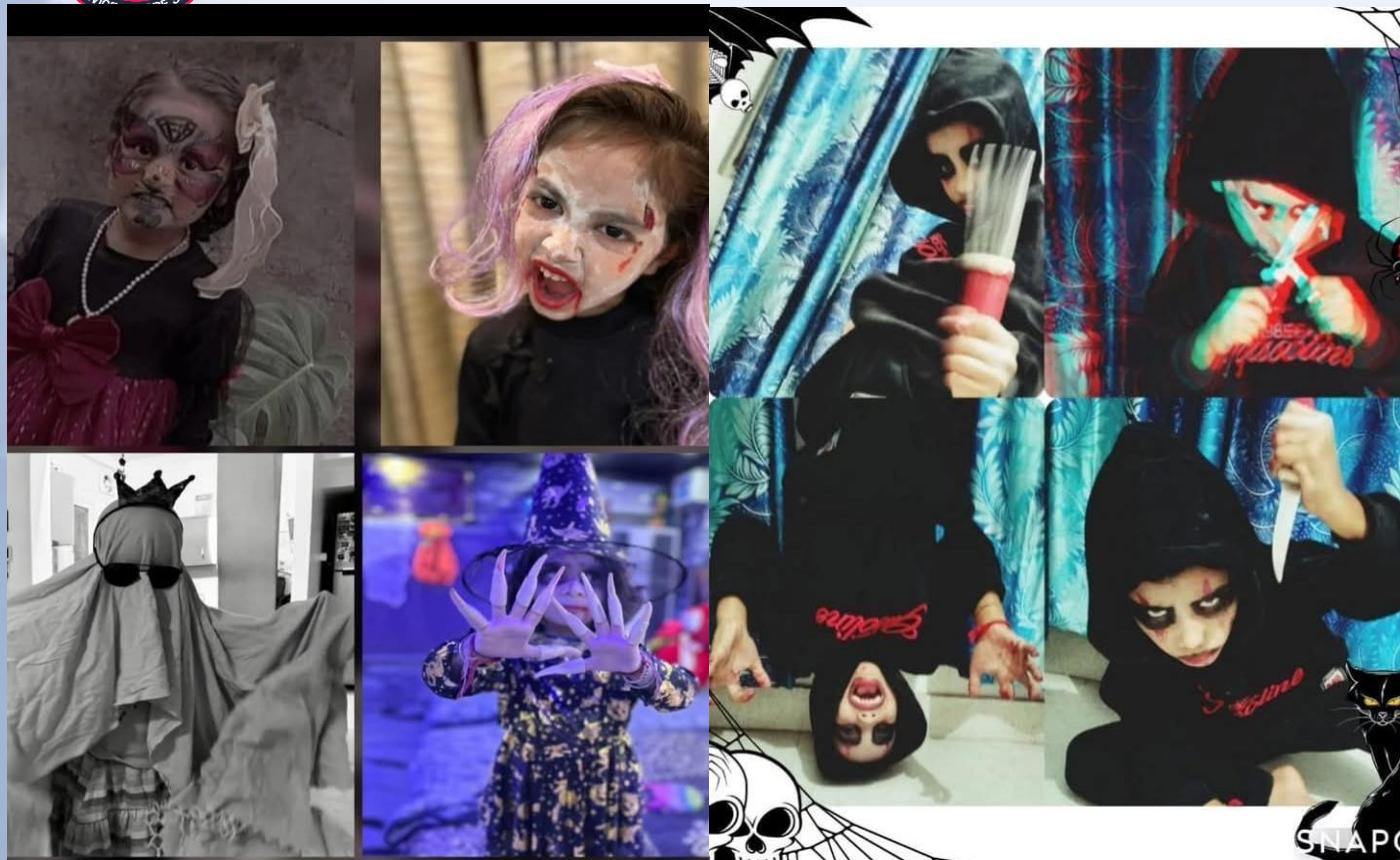

CELEBRATION

Halloween Activity Celebration

SNAP

The Pre-Primary Wing organized an engaging Online Halloween Activity where young learners shared Halloween-themed videos using fun, innovative, and easy-to-create ideas. This activity made learning more exciting, interactive, and memorable for the children. Through these playful experiences, students learned that Halloween is meant to be fun and that spooky elements are only pretend. The activity helped children manage their fears, develop emotional regulation skills, and express themselves creatively. Halloween also supported their overall development by encouraging imagination through role-play, enhancing fine motor skills with creative tasks, and strengthening cognitive abilities. By participating in these activities, children were given a safe opportunity to face fears, build confidence, and learn how to navigate emotions in a positive and supportive environment.

Dussehra Celebration

Little Scholars celebrated Dussehra 2025 on 3rd October with great enthusiasm, turning the festival into a joyful learning experience for pre-primary students. The tiny tots participated in craft activities, storytelling sessions, and a special assembly that highlighted India's rich cultural traditions guided by Ms. Parul Agrawal, the event featured confident anchoring by Lakshit and Aadya and an impressive Ramleela performance by Class II students, beautifully portraying the message of the victory of good over evil. The celebration filled the campus with devotion, pride, and happiness, and was further enriched by the encouraging words and appreciation of Principal Ms. Shikha Gautam.

Diwali Celebration

The Pre-Primary Wing of Little Scholars School celebrated Diwali with great enthusiasm, spreading joy, creativity, and eco-friendly values across the campus. The young learners participated in various activities such as eco-friendly crafts, natural rangoli making, and Diwali-themed DIY projects, promoting sustainability alongside tradition. A special assembly presented by Class 1 added to the festive spirit with poems, speeches, shlokas, and lively dance performances inspired by the Ramayana. The celebration beautifully combined learning, cultural values, and environmental awareness, making Diwali a meaningful and joyful experience for the little ones.

Pre-Primary Sports Activity

The Pre-Primary Sports Activity for LKG and UKG students was a joyful celebration of play, learning, and teamwork. Through engaging events like the Intersection Ball Relay, Zig Zag Race, and Jumping Challenge, children participated with great enthusiasm, laughter, and energy, proving that the joy of playing truly outweighs the joy of winning. Under the dedicated guidance of sports coaches Mr. Sanjay Bhardwaj, Mr. Rahul Bhandari, and Mr. Gaurav Sharma, students displayed discipline, sportsmanship, and teamwork. These activities helped develop essential physical and motor skills such as agility, balance, coordination, hand-eye coordination, and cooperation in a fun and inclusive environment. The event highlighted holistic development while congratulating the young winners for their commendable efforts and achievements.

Guidance, clarity, and new possibilities — EDUQUEST 2025 helped our students see their future more clearly. On 18th November 2025, Little Scholars Sr. Sec. School, Kashipur, hosted EDUQUEST, bringing together leading universities to help students explore courses, careers, and opportunities beyond school.

Participating Institutes included: Graphic Era University, UPES, Bennett University, Chitkara University, Sharda University, DIT, MIT, IILM, DBS, Uttarakhand University, GNIOT, CGC, and more.

A day full of insights, conversations, and inspiration — opening doors to brighter futures.

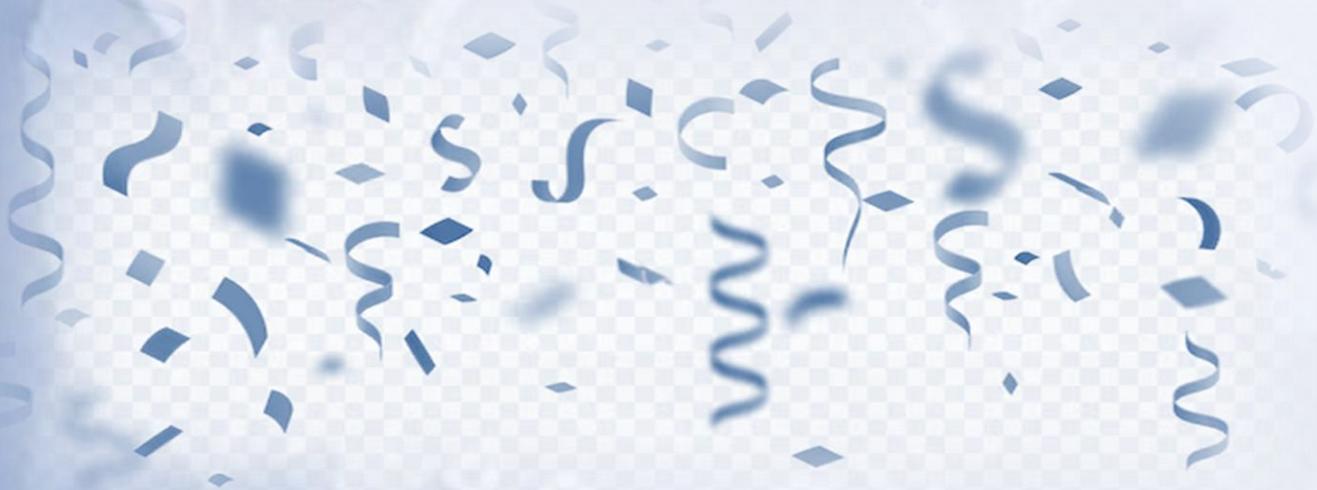

Educational Trip: Corbett Museum

Every child deserves learning that feels alive, and our tiny scholars lived it. From spotting deer on the way to watching a 3D jungle come alive, the trip to Corbett Museum was filled with curiosity, joy, and little discoveries that books alone can't teach. Hands-on moments like these help children connect the world inside their classroom with the world outside it, and that's where real learning begins.

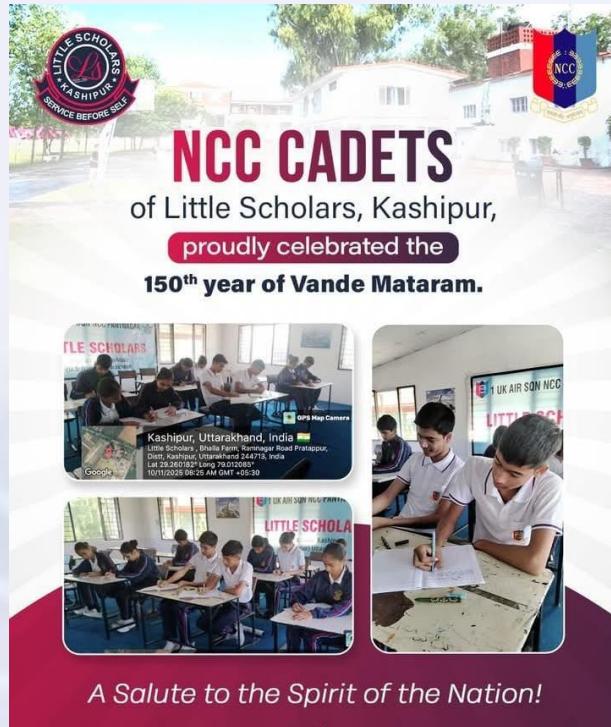

CELEBRATION

Honoring 150 Years of Vande Mataram

Proud moments at Little Scholars, Kashipur, as our NCC cadets from 1 UK Air Sqn NCC, Pantnagar, joined hands to commemorate the 150th year of Vande Mataram. Through powerful words and passionate voices in the essay writing and debate competitions, our young cadets reflected on the timeless spirit of patriotism and the song that united a nation during India's freedom struggle..
