“

Little Scholars is a journey of self-discovery for a child as they grow to become young adults. The school will equip him to excel in academics, and to be savvy in through a Hybrid learning platform. The student will be encouraged to discover their interests, talents and aptitudes, and learn to form their opinions and role in society. This is achieved in a nurturing environment, where the Mentor enacts the role of a Second Parent. An important feature of this process is the school's provision of rich choices, be they in courses of academics, cocurricular activities in artistic, creative and intellectual activities, and in sports and adventure. Engagements with ecology and heritage allow engagements with the community, within the school, in rural areas, or through NGOs, nurturing the ideologies of the school motto 'Service before self'. Leadership abilities to take decisions and to find solutions are imbibed on the sports field, through social interactions, and through positions of responsibility provided in school, aiming not just to nurture the students through their formative years, but also to place them on a continuous curiosity to learn, while carrying the responsibilities of leader with understanding, intelligence, sensitivity and an inclusive attitude.

Celebrations

World Earth Day

Small voices carried powerful messages as Class 2 B presented a heartwarming Earth Day assembly dedicated to nurturing love and responsibility for our planet. 🌱

Through engaging speeches, thoughtful skits, expressive poetry, and lively performances, the young learners beautifully highlighted the importance of environmental conservation and sustainable living. From advocating the protection of trees to promoting mindful everyday choices, each presentation reflected creativity, awareness, and a genuine commitment to caring for the Earth.

The assembly served as a meaningful reminder that even the smallest actions can create a positive impact, inspiring everyone to become responsible stewards of the environment.

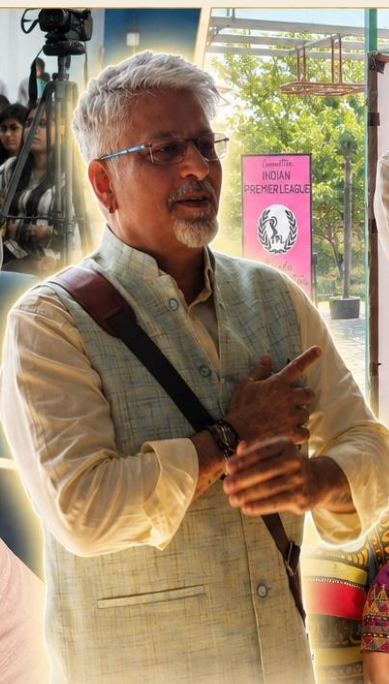

A wonderful celebration of learning, awareness, and the shared responsibility of building a greener future.

LS MUN 2026 brought together young minds on a platform dedicated to diplomacy, critical thinking, and global awareness. Through committee sessions, deliberations, and collaborative discussions, students engaged with contemporary international issues, developing skills in research, negotiation, public speaking, and problem-solving.

The conference reflected the essence of the Model United Nations experience—encouraging delegates to think beyond boundaries, embrace diverse perspectives, and work collectively towards meaningful solutions. With confidence, intellect, and leadership at the forefront, participants demonstrated the spirit of responsible global citizenship and constructive dialogue. A remarkable celebration of ideas, leadership, and the power of informed youth voices.

Parents Orientation

The Parent Orientation Programme 2026–27 marked the beginning of a meaningful partnership between parents and the school, laying a strong foundation for the academic year ahead. The event brought together the school community in an atmosphere of warmth, trust, and shared purpose, reinforcing the belief that a child's success is built through the combined efforts of home and school.

The programme featured a gracious welcome, inspiring addresses by the school leadership, engaging student performances, and informative presentations that highlighted the institution's vision, values, academic philosophy, and holistic approach to education. Parents were introduced to the learning environment, expectations, and opportunities that will shape their children's educational journey throughout the year.

More than an orientation, the event was a celebration of collaboration—strengthening the bond between parents and educators while fostering open communication, mutual trust, and a shared commitment to nurturing confident, compassionate, and future-ready learners. success at its heart.

Awareness empowers, knowledge protects.

Awareness is the foundation of safety and responsible decision-making. On 7th April 2026, students participated in an insightful session by Dr. Reena Vyas under the Sparsh Mission. Through engaging discussions and real-life examples, they gained valuable understanding of personal safety, cyber awareness, emotional well-being, and the importance of speaking up when faced with challenges. The session encouraged students to stay alert, make informed choices, and develop the confidence needed to navigate the world safely and responsibly. A meaningful initiative towards nurturing aware, confident, and empowered young minds.

Promoting Health, Inspiring Wellness

On the occasion of World Health Day, Class 10 C conducted a meaningful assembly focused on the importance of physical, mental, and emotional well-being. Through a thoughtful prayer, insightful speech, engaging skit, and informative presentations, students highlighted the significance of balanced nutrition, regular exercise, positive habits, and mindful living.

The assembly served as a valuable reminder that good health is the foundation of a happy and successful life. By encouraging awareness and responsible choices, the students inspired their peers to embrace healthier lifestyles and prioritize overall well-being every day.

A commendable initiative that blended learning with life skills, fostering a culture of health, mindfulness, and self-care.

Learning Beyond the Classroom

Students of Little Scholars Kashipur embarked on an enriching educational visit to Krishi Vigyan Kendra, where they explored modern agricultural practices and the fascinating world of hydroponics. Through interactive demonstrations, expert guidance, and hands-on learning experiences, students gained valuable insights into how technology, innovation, and sustainability are transforming the future of farming.

The visit offered a unique opportunity to connect classroom concepts with real-world applications, encouraging scientific thinking, environmental awareness, and a deeper appreciation for sustainable agricultural practices.

A day filled with discovery, exploration, and experiential learning—empowering young minds to understand and engage with the innovations shaping tomorrow.

World Laughter Day

The happiest school memories are often the simplest ones.

A shared laugh in the classroom, playful moments on the playground, endless conversations with friends, and smiles that brighten every day—these are the little moments that turn school into a place students cherish for a lifetime.

This **World Laughter Day**, we celebrate the joy, friendships, and carefree spirit that make childhood so beautiful. Because every laugh shared today becomes a memory treasured forever.

Mother's Day

Love, gratitude, and joyful celebrations filled the auditorium of **Little Scholars** as our **Pre-Primary Wing** came together to celebrate **Mother's Day** on **8th May 2026**.

The event was a beautiful tribute to the unconditional love, care, and strength of mothers. From adorable performances by our little stars and exciting games to refreshing yoga sessions and an elegant **Ramp Walk** featuring our wonderful moms, every moment reflected the special bond between a mother and her child.

The smiles, laughter, and heartfelt interactions created memories that will be cherished for years to come, making the celebration truly unforgettable. A sincere thank you to all the amazing mothers for your enthusiastic participation and for making this occasion so warm, vibrant, and memorable. Your presence made the day even more meaningful, reminding us that a mother's love is the greatest gift a child can receive.

Teacher Workshop on Active Learning

At **Little Scholars School**, we believe that exceptional learning begins with empowered educators. ✨

On **29th May 2026**, a **Workshop on Active Learning** was conducted to equip our teachers with innovative strategies for creating engaging, collaborative, and student-centered classrooms. 🧠🤝

Led by esteemed resource persons **Mr. S. F. Khan** and **Ms. Prerna Chaudhary**, the session focused on fostering critical thinking, inquiry-based learning, and active student participation through practical, interactive teaching approaches.

✨ At Little Scholars, continuous professional development ensures that our classrooms remain spaces where curiosity thrives, creativity flourishes, and meaningful learning comes alive.

Health & Safety Workshop

Awareness Doesn't Just Inform—It Protects.

Little Scholars School | Health & Safety Week 2026. During **Health & Safety Week 2026**, our students gained knowledge that extends far beyond the classroom.

Through an engaging and insightful session led by **Mr. Ashish Awasthi**, students learned practical life-saving skills and essential health awareness that every child should know.

From understanding **diabetes** and **HIV/AIDS** to learning the correct response during emergencies such as **snake bites, nosebleeds, and other first-aid situations**, the session equipped students with knowledge they can carry for life. Because education isn't just about academic excellence—it's about preparing young minds to make informed decisions, respond confidently in emergencies, and protect themselves and those around them.

The greatest gift we can give our children is not just knowledge, but the confidence to use it when it matters most. 💙

Smart Childhood Safe Childhood Workshop

At **Little Scholars School**, we believe that safety begins with awareness, understanding, and the confidence to make the right choices.

Students of **Classes 2 to 5** participated in the **Smart Childhood, Safe Childhood Workshop**, conducted by **Dr. Reena Vyas**, Retired Professor of Zoology, Government College Ajmer, and a two-time recipient of recognition from the District Government Administration.

Through engaging stories, videos, and interactive discussions, students learned about personal safety, healthy boundaries, and the importance of speaking up with confidence.

Because **every child deserves to feel safe, empowered, and heard**. At Little Scholars, education goes beyond academics—it prepares children for life.

The Puppet Show

Our **Grade 4** students presented a vibrant **Puppet Show**, transforming classroom learning into an engaging and memorable experience.

Blending storytelling, creativity, and performance, the activity helped students explore the rich culture of **Rajasthan**, understand **desert landforms**, and communicate meaningful values in an interactive way.

The Puppet Show not only strengthened subject understanding but also nurtured creativity, teamwork, communication skills, and confidence—making learning both joyful and impactful.

Because at Little Scholars, every lesson is an opportunity to imagine, create, and learn beyond textbooks.

Kaushal Bodh Activity

As part of the **Kaushal Bodh Activity**, our Class VIII students immersed themselves in the world of **Skill Education: Working with Wood & Bamboo**, transforming curiosity into craftsmanship through meaningful hands-on learning.

From fixing hinges and confidently handling professional tools to understanding mould preparation techniques, every activity offered students a real-world experience under expert guidance, nurturing both practical skills and problem-solving abilities.

More than a workshop, it was a journey of creativity, precision, teamwork, and self-confidence—instilling a deep appreciation for the value of skilled craftsmanship and experiential learning. 🌱💡

At **Little Scholars School, Kashipur**, we believe education goes beyond textbooks. When students create, explore, and build with their own hands, they don't just learn skills—they develop confidence, innovation, and a lifelong love for learning.

International Yoga Day - 2026

At Little Scholars School, we believe that education extends far beyond the classroom. True learning nurtures not only the intellect but also the body, mind, and spirit. International Yoga Day serves as a meaningful reminder of the importance of cultivating a balanced and healthy lifestyle from an early age. Through the timeless practice of yoga, our students develop essential life skills such as discipline, concentration, resilience, self-awareness, and emotional well-being. Every posture, every breath, and every moment of mindfulness encourages them to build inner strength, improve physical fitness, and embrace a sense of harmony within themselves and with the world around them. Yoga is more than a form of exercise—it is a way of life that promotes mental clarity, emotional stability, and holistic growth. By incorporating yoga into our educational journey, we empower our students to face life's challenges with confidence, patience, and a positive outlook.

On this International Yoga Day, let us reaffirm our commitment to health, wellness, and lifelong learning. Together, let us inspire the next generation to lead lives rooted in balance, compassion, mindfulness, and excellence.
