FROM THE Management Desk

Little Scholars is a journey of self-discovery for a child as they grow to become young adults. The school will equip him to excel in academics, and to be savvy through a Hybrid learning platform. The student will be encouraged to discover their interests, talents and aptitudes, and learn to form their opinions and role in society. This is achieved in a nurturing environment, where the Mentor enacts the role of a Second Parent. An importfeature of this process is the school's provision of rich choices, be they in courses of academics, an artistic, creative and intellectual activities,and in sports and adventure. Engagements with ecology and heritage allow engagements with the community, within the school, in rural areas, or through NGOs, nurturing the ideologies of the school motto 'Service before self'. Leadership abilities to take decisions and to find solutions are imbibed on the sports field, through social interactions, and through positions of responsibility provided in school, aiming not just to nurture the students through their formative years, but also to place them on a continuous curiosity to learn, while carrying the responsibilities of leader with understanding, intelligence, sensitivity and an inclusive attitude.

THE NEW STUDENT COUNCIL '26

Little Scholars Senior Secondary School, Kashipur, proudly commemorated the Investiture Ceremony for the academic session 2026–27, marking a pivotal milestone in cultivating student leadership and governance. The formal ceremony served as a solemn occasion where newly inducted Student Council members were officially entrusted with their badges of office, signifying authority, integrity, and accountability. During the proceedings, the incoming council members took a collective pledge to uphold the values of discipline, selfless dedication, collaboration, and academic excellence. Supported by the school administration, faculty mentors, and peers, the student leaders committed to executing their responsibilities with diligence, guiding the student body through principled action and inspiring positive change across campus life.

The entire Little Scholars fraternity extends its warmest congratulations to the newly appointed council, encouraging them to wear their badges with pride, lead with purposeful vision, and serve as beacons of character. True to its guiding motto of “Service Before Self,” the institution remains steadfast in its mission to develop visionary, responsible young leaders prepared to make meaningful contributions to the wider world.

EXCELLENCE AT A.M.U.N. 2026

“Champions don’t just win trophies—they inspire the world with their vision.” What happens when brilliant minds, confident voices, and future leaders come together? Excellence happens. We are immensely proud of our delegates for their phenomenal performance at Amenity MUN 2.0, where their confidence, diplomacy, critical thinking, and teamwork brought immense pride to the entire Little Scholars family.

Our student delegation delivered an outstanding performance, securing the prestigious Best School Delegation Trophy alongside the 1st Runner-Up team award in the AMGA Committee. Across multiple committee sessions, our 16 student delegates demonstrated exceptional communication and global awareness, earning 14 individual delegate awards alongside several verbal mentions. From thoughtful debates to impactful diplomacy, our young leaders showcased remarkable leadership and poise on every front. Heartiest congratulations to every delegate, mentor, and teacher whose dedication made this achievement possible. Here’s to many more victories, stronger voices, and brighter futures as Little Scholars Senior Secondary School continues its journey of service before self and excellence beyond classrooms.

CORBETT BIRTH ANNIVERSARY

Talent finds its true recognition when passion meets dedication, bringing yet another proud moment to Little Scholars Senior Secondary School, Kashipur. We extend our heartiest congratulations to Shreyashi Tiwary for securing the Second Prize in the prestigious Jim Corbett Birth Anniversary Sketch Competition, organized by the Wildlife Art Gallery Trust in Ringora Village, Ramnagar, Uttarakhand.

This remarkable achievement reflects not only Shreyashi's fine artistic skill and creative eye, but also her deep sensitivity toward wildlife, nature, and environmental conservation. Through her compelling artwork, she captured the essence of the natural world, standing out among fellow participants with distinct originality and expressive technique.

At Little Scholars, we remain committed to nurturing creativity, innovation, and holistic expression alongside academic pursuits, encouraging students to excel across diverse platforms. We congratulate Shreyashi once again on this commendable milestone and wish her continued artistic growth and success in all her future creative endeavors.

SWIMMING CHAMPIONSHIP '26

Champions are made one stroke at a time, and hard work, discipline, and determination have once again brought immense glory to Little Scholars Senior Secondary School, Kashipur. We are exceptionally proud of our young aquatics team for their stellar performance at the Uttarakhand State Junior & Sub-Junior Swimming Championship 2026, where they brought home an extraordinary tally of Gold, Silver, and Bronze medals.

Leading the charge were Aditya Negi and Yashwardhan Singh Chauhan, who each secured 5 Gold medals and earned prestigious Individual Champion titles. The podium sweep continued with Arnav Bhandari clinching 3 Gold medals, Harshit claiming 2 Gold and 2 Bronze medals, Rudra Bhandari bagging 3 Silver medals, Karan earning 1 Silver and 4 Bronze medals, and Divyansh adding another Silver medal to our remarkable medal haul.

Heartiest congratulations to all our champion swimmers, dedicated coaches, mentors, and supportive parents whose unwavering commitment made this phenomenal milestone possible. At Little Scholars, we remain steadfast in nurturing excellence across sports, academics, and personal character, proving once again that true champions do not simply wait for opportunities, but create them.

UNITY IN DIVERSITY

"When Diversity Becomes Our Strength, Unity Becomes Our Identity." At Little Scholars Senior Secondary School, Kashipur, our students beautifully captured the true spirit of national cohesion during a special morning assembly centered on the theme of Unity in Diversity. The presentation served as a thoughtful reminder of India's rich cultural fabric and the enduring importance of standing together as one community.

The students of Grade X across Sections A, B, and C delivered a cohesive and memorable performance that engaged the entire school. Their assembly featured inspiring thematic speeches, expressive poetry, an impactful dramatic skit, a reflective Thought for the Day, and a polished news presentation, each highlighting different facets of cultural harmony, mutual respect, and student leadership.

Heartfelt appreciation goes to Mr. Tarun Pant, Coordinator for Grades IX and X, whose dedicated guidance and encouragement helped the students shape this meaningful showcase. By integrating core human values with creative expression, Little Scholars continues to foster an environment where students learn together, grow together, and emerge as responsible, unified citizens.

DOCTOR'S DAY SPECIAL

Little Scholars Senior Secondary School, Kashipur, commemorated Doctor's Day by organizing two comprehensive healthcare webinars aimed at promoting wellness, self-awareness, and holistic growth beyond conventional academics. The initiative provided scholars with a valuable opportunity to interact directly with medical experts, emphasizing the vital connection between physical well-being, emotional balance, and sustained learning.

The first session, tailored for students of Classes VIII through XII, focused on adolescent health, physical changes, and emotional wellness, led by distinguished specialist Dr. Navpreet Sahota (Obstetrics and Gynaecology). Complementing this, a practical seminar on dental hygiene and preventive oral care titled "Healthy Teeth & Oral Care – Building Good Habits for Life" was conducted by Dr. Abhinav Deval, Dental Surgeon, Implantologist, and esteemed alumnus of the institution.

Both interactive modules offered scholars practical guidance on maintaining everyday self-care regimens and building positive lifestyle habits. The Little Scholars community expressed sincere gratitude to Dr. Sahota and Dr. Deval for their generous mentorship, reaffirming the institution's ongoing commitment to nurturing healthy, informed, and confident future leaders.

ALUMNI EXCELLENCE

Little Scholars Senior Secondary School, Kashipur celebrates a moment of immense pride as we congratulate Aarna on her remarkable performance in NEET (UG) 2026.

Securing an outstanding score of 652 out of 720, she achieved an impressive 99.93 percentile along with an All India Rank of 1278.

This stellar accomplishment reflects her tireless perseverance, disciplined preparation, and unwavering pursuit of academic excellence. Her success stands as a testament to what focused dedication and consistent effort can achieve, inspiring the entire student body to aim high in their competitive pursuits.

The entire Little Scholars family extends its heartiest congratulations to Aarna, her family, and the mentors who supported her along this journey. As she takes her first strides toward a rewarding career in medicine, we wish her continued success, knowing that the future belongs to those who dare to dream and work to achieve it.

ALUMNI EXCELLENCE

Success is where passion meets perseverance, and today we celebrate a creative ambition turning into reality. Little Scholars Senior Secondary School, Kashipur extends its heartiest congratulations to Manisha Sagar on securing admission to the prestigious National Institute of Fashion Technology (NIFT), Panchkula, for the Bachelor of Design in Fashion Design programme under the All India Quota in Round 2 Counselling 2026.

Her distinct creative vision, dedication, and steadfast resolve have earned her a place at one of the country's premier fashion design institutions. Securing entry into such a competitive national programme stands as a powerful testament to her talent, serving as an inspiration to every young student aspiring to build a career in design, aesthetics, and creative innovation.

The entire Little Scholars family takes immense pride in this outstanding milestone and extends its warmest wishes to Manisha as she embarks on this professional journey. Rooted in our guiding principle of service before self and holistic excellence, we wish her a vibrant collegiate path filled with breakthrough designs, continued growth, and exceptional achievements ahead.

TRAFFIC AWARENESS WORKSHOP

Road safety starts with awareness because every life matters, and learning traffic rules today can save lives tomorrow. Little Scholars Senior Secondary School, Kashipur successfully organized a comprehensive Traffic Awareness Workshop on 13th July 2026, aimed at empowering students and staff with essential road safety knowledge and responsible commuting practices.

We were honored to welcome Mr. Neeraj Kumar, Traffic Inspector, Kashipur, along with his dedicated team, who conducted an engaging and informative session. The workshop covered key areas of daily transit, including essential road safety rules, responsible driving habits, traffic signal regulations, mandatory helmet and seat belt safety, the severe hazards of distracted driving, and the importance of civic responsibility on public roads.

Through interactive discussions and practical insights, students recognized that safe roads begin with disciplined and conscious citizens. We extend our heartfelt gratitude to Mr. Neeraj Kumar and the Traffic Police team for guiding our school community toward responsible road habits as we continue working together to build a safer transit culture.

TRAFFIC AWARENESS

WORKSHOP AT LITTLE SCHOLARS SCHOOL, KASHIPUR

13TH JULY 2026

SAFE ROADS SAFE LIVES

A workshop on Traffic Awareness was conducted at Little Scholars School, Kashipur on 13th July 2026.
The session was led by Mr. Neeraj Kumar, Traffic Inspector, Kashipur, along with his team members.
The workshop was attended by transport staff, teachers, and senior students.
The program highlighted the importance of road safety, responsible driving, and adherence to traffic rules.
Through interactive discussions and practical insights, participants were sensitized to the need for vigilance and discipline on the road.
The initiative aimed to instill awareness and ensure safer commuting practices within the school community.

HARELA CELEBRATION SPECIAL

Rooted in the belief that learning extends far beyond classrooms, Little Scholars Senior Secondary School, Kashipur organized an inspiring Harela Awareness Session to celebrate Uttarakhand's traditional green festival. The initiative centered on honoring the region's rich cultural heritage while actively fostering ecological consciousness, responsible environmental stewardship, and everyday sustainable practices among our young learners.

The school had the distinct privilege of welcoming esteemed guest experts Dr. Anil Chandra, Assistant Professor of Horticulture at KVK Pantnagar, and Dr. Pratibha Singh, Associate Director of Home Science at KVK Pantnagar. Through insightful, interactive sessions, both speakers engaged the audience on the historical and ecological significance of Harela, illustrating how indigenous traditions naturally align with conservation and urging students to play an active, practical role in protecting local biodiversity.

The awareness drive culminated in an enthusiastic, student-led tree plantation initiative on the campus grounds. Pledging to nurture each sapling and champion eco-friendly living, our students transformed theoretical lessons into meaningful civic action, reaffirming our community's shared dedication to cultivating values, preserving the natural world, and securing a greener tomorrow.

Growing Knowledge, Cultivating Tomorrow

Little Scholars Senior Secondary School had the privilege of hosting an enriching awareness session on the significance of Harela, a festival that celebrates nature, sustainability, and our deep connection with the environment.

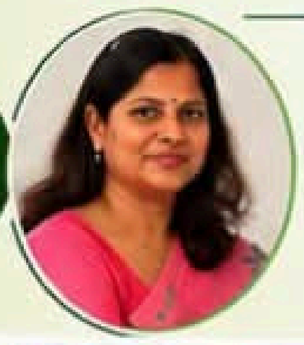

OUR ESTEEMED GUESTS

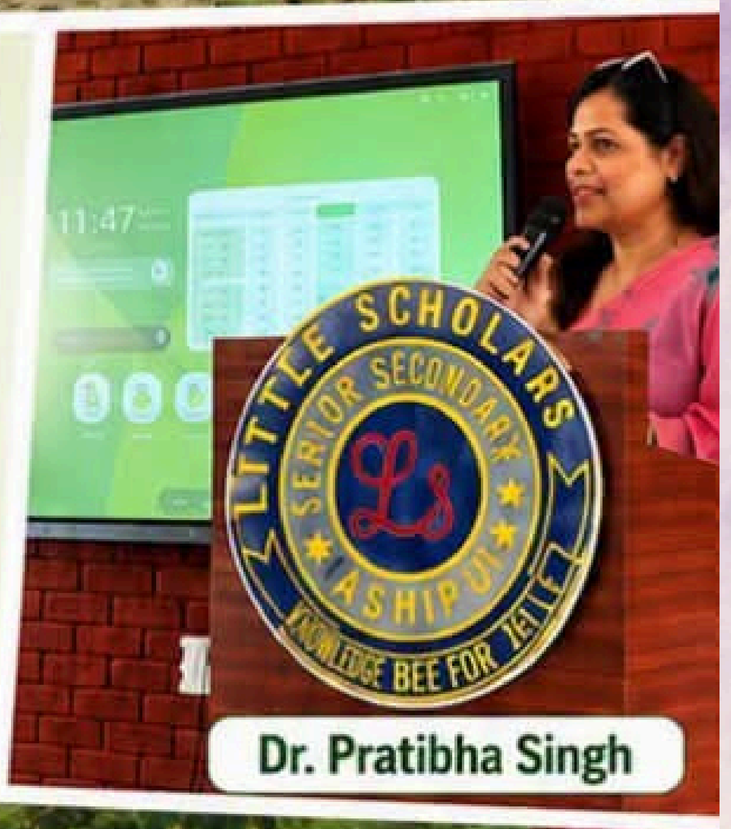

Dr. Anil Chandra
Assistant Professor (Horticulture), KVK, Pantnagar

Dr. Anil Chandra beautifully explained the importance and essence of Harela, highlighting its role in promoting environmental conservation and sustainable living.

Dr. Pratibha Singh
Associate Director (Home Science), KVK, Pantnagar

Dr. Pratibha Singh shared valuable insights into the traditional ways of celebrating Harela and its cultural significance in Uttarakhand.

Students of Grades VI, VIII, and XI actively participated in the session and gained meaningful knowledge about preserving nature and embracing our rich traditions.

Let's nurture nature for a greener future

ECONOMICS QUIZ

Innovation begins when young minds come together to think, collaborate, and create. Little Scholars Senior Secondary School, Kashipur, proudly celebrates the successful completion of ECO CHALLENGE 2026—an inspiring platform where students showcased their creativity, teamwork, leadership, and economic awareness while tackling critical real-world challenges. Heartiest congratulations go to all the winners and participants across our school houses. Krishna House emerged victorious as the overall Winner, followed by Yamuna House and Ganga House jointly securing the First Runner-Up position, and Kaveri House earning Second Runner-Up honors. Through spirited competition and collaborative learning, students sharpened essential modern skills, including critical thinking, confident communication, economic awareness, decision-making, and respectful debate.

Together, the Little Scholars community continues to build future leaders equipped to make informed choices and champion a sustainable tomorrow. Situated at Bhalla Farm, Pratappur, the school remains committed to building skills, shaping futures, and inspiring lasting excellence across every educational domain.

MATHEMATICS QUIZ

When logic meets teamwork and confidence, extraordinary results are created. Little Scholars Senior Secondary School, Kashipur, proudly hosted the Inter-House Mathematics Quiz Competition 2026 for Classes IX and X, providing an engaging platform where young scholars demonstrated that mathematics extends far beyond mere numbers into the realm of critical thought and analytical reasoning.

The event witnessed intense competition, sharp problem-solving, and quick decision-making across all four houses. Heartiest congratulations to Red House for clinching the Winner's trophy, followed by Green House as Runner-Up, Yellow House securing Third Position, and Blue House receiving Participation Appreciation for their commendable spirit and dedication throughout the contest.

At Little Scholars, every competition serves to nurture confidence, collaborative problem-solving, and a lifelong passion for inquiry. Located at Bhalla Farm, Pratappur, the institution remains devoted to cultivating logical thinking, building essential skills, and empowering great minds for bright futures.

INNOVATIVE SCHOOL OF THE YEAR

When persistent dedication converges with visionary education, noteworthy recognition naturally follows. Little Scholars, Kashipur, achieved a distinguished milestone upon being conferred the prestigious “Innovative School of the Year – Editor’s Choice” accolade at the esteemed Global Education Awards 2026, held at Hotel Clarks Amer, Jaipur.

This celebrated honour underscores the institution’s sustained commitment to academic excellence, progressive pedagogical practices, and future-ready learning methodologies. A special moment of pride was marked by Grade 12 scholar Rudra Pratap Bhandari, who represented the institution on the global stage to receive the trophy on behalf of the entire school.

This accolade stands as a testament to the collaborative dedication of the school's faculty, learners, parents, and administrative leadership. Rooted in its continuous pursuit of excellence, Little Scholars remains steadfast in fostering innovation today to build inspired, responsible global leaders tomorrow.

PARTICIPATION IN DPSRMUN 2026

Little Scholars, Kashipur, registered an extraordinary triumph at DPSR MUN 2.0, held on 8th and 9th August 2026. Competing in a prestigious arena featuring over 600 delegates representing more than 20 institutions, our young scholars stepped onto the global stage with remarkable poise, eloquence, analytical depth, and an unwavering commitment to international diplomacy.

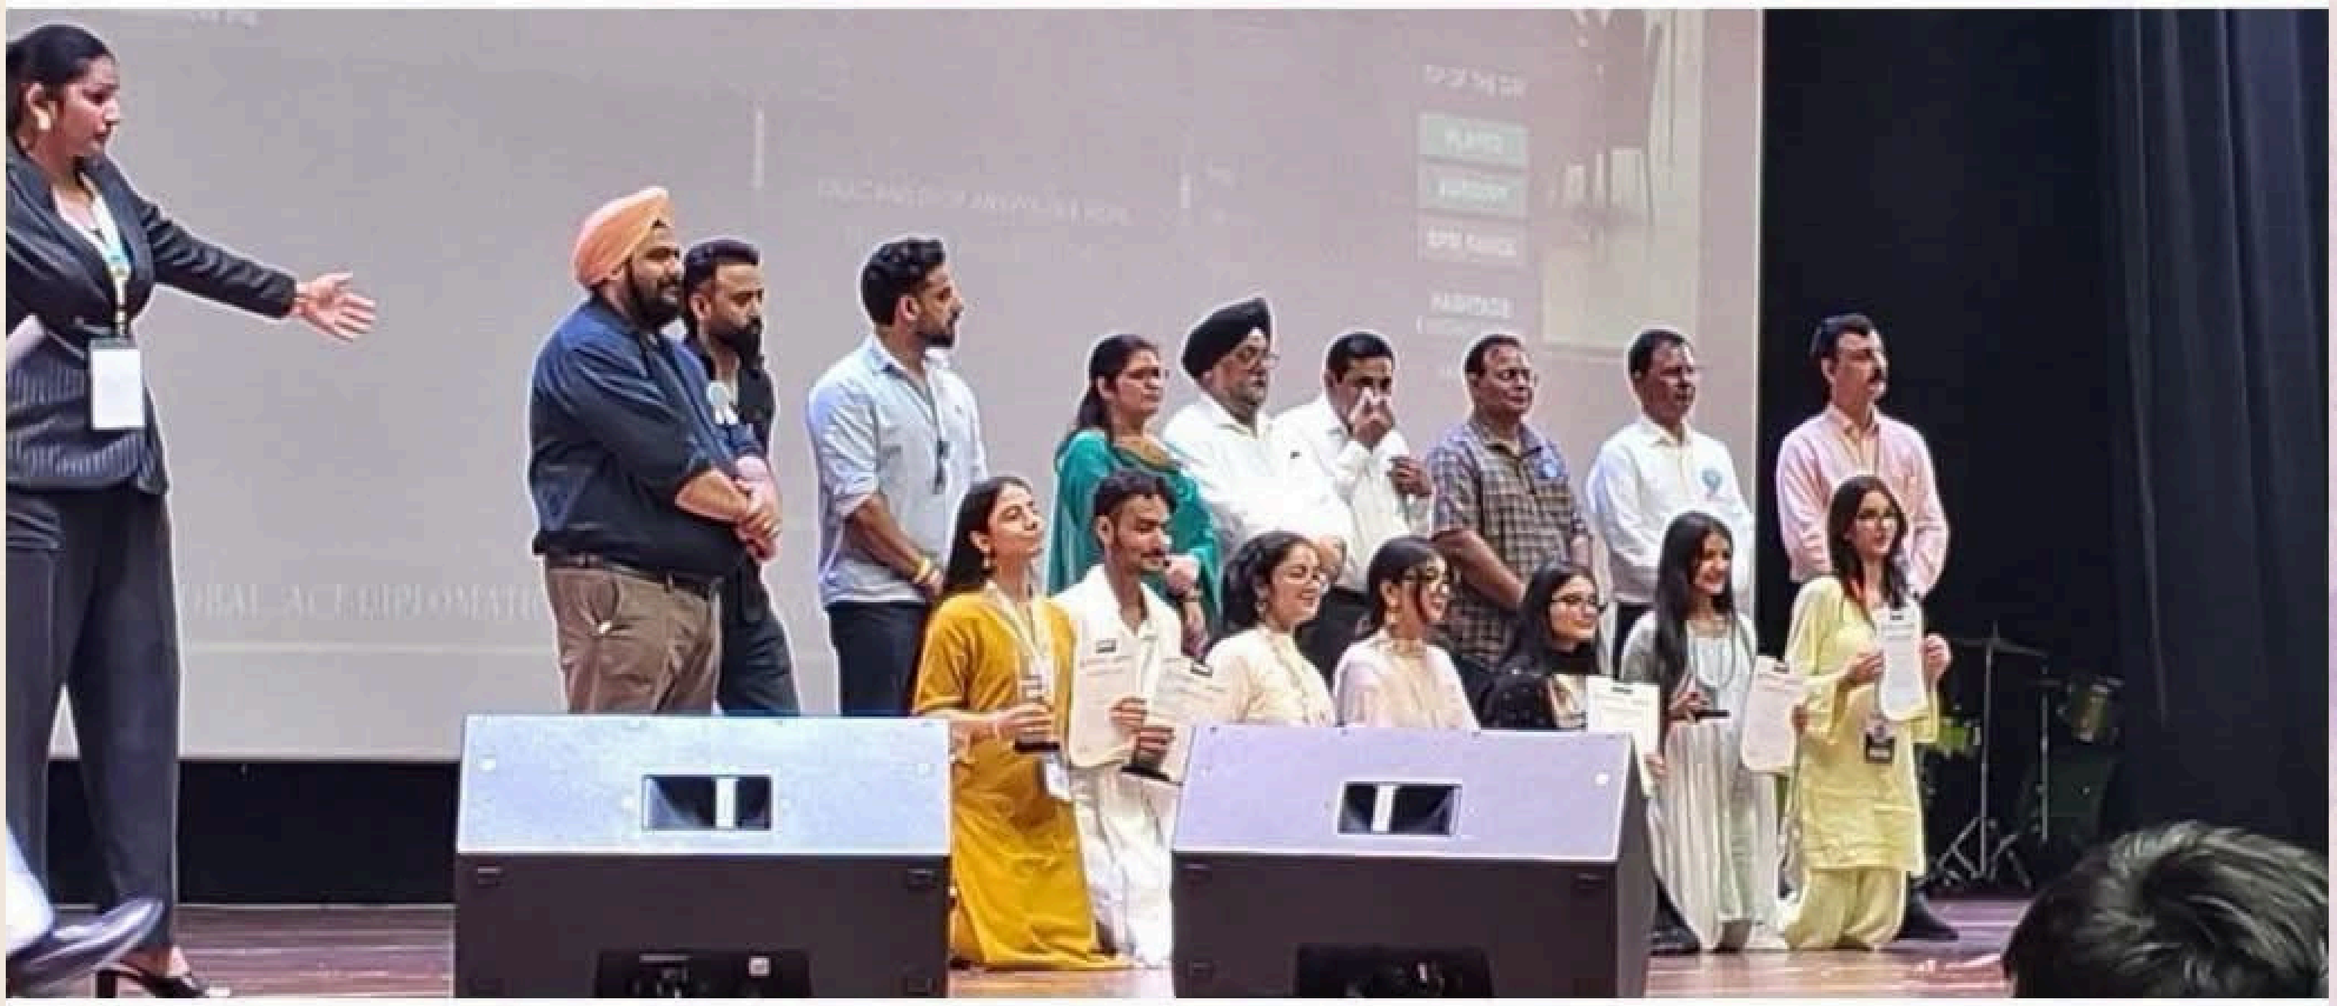

The delegation secured an impressive haul of accolades across diverse committees: Aryan Bansal (UNHRC) and Manha Khan (UNCSW) earned the highest honours as Best Delegates; Jashandeep Singh (IP Journalism) and Diya Rawat (IP Caricaturist) received High Commendations; Animesh Kandpal (Satyug) garnered Chair's Choice; and Snehi Agarwal achieved a Special Mention. Demonstrating equal distinction, Honourable Mentions were conferred upon Yati Agrawal (UNCSW), Garv Bansal (UNHRC), and Anika Bansal (AIPPM), while the team of Shaurya Agrawal, Aradhya Agarwal, Yuvraj Mehrotra, and Shubh Goyal secured High Commendation Runner-Up in the IPL Committee.

Every debate and consensus-building session underscored our students' capacity for nuanced dialogue, constructive problem-solving, and decisive leadership. The entire Little Scholars fraternity extends heartiest congratulations to these emerging diplomats, whose articulate voices and visionary ideas continue to embody the finest tenets of global citizenship.

WORLD ELEPHANT DAY DEBATE

Little Scholars, Kashipur, celebrated a distinguished moment of pride as young orator Shreyasi Tiwari delivered an exceptional performance at the World Elephant Day Debate Competition. Organized by the Wildlife Art Gallery Trust at the Deep Rajwar Wildlife Art Gallery, the inter-school platform brought together passionate student speakers to advocate for wildlife protection and environmental stewardship.

Demonstrating poise, deep topical knowledge, and compelling eloquence, Shreyasi secured the Second Position in the debate. Her articulate arguments and persuasive expression impressed the panel of adjudicators, reflecting both thorough preparation and a genuine commitment to ecological conservation.

The school fraternity extends its heartiest congratulations to Shreyasi for this commendable accomplishment and wishes her continued excellence in all future endeavors. Her success exemplifies the institution's dedication to empowering students to question, speak boldly, and make a meaningful impact both within and beyond the classroom.

Shreyasi Tiwari Secures *Second Position* in World Elephant Day Debate

On the occasion of **World Elephant Day,** a debate competition was organized by **Wildlife Art Gallery Trust** at **Deep Rajwar Wildlife Art Gallery.**

Sheryshi Tiwari, a student of **Little Scholars, Kashipur,** secured the **Second Position** in the debate competition.

The judging panel comprised **Mr. Harendra Singh Bargali** from **The Corbett Foundation** and renowned naturalist **Mr. Rajesh Birder Ji.**

The school management, Principal, and teachers congratulated **Sheryshi Tiwari** on her achievement and wished her continued success.

TEACHER OF THE YEAR

Great educators transcend everyday instruction to ignite curiosity, shape character, and inspire lasting purpose. Little Scholars Senior Secondary School, Kashipur, takes immense pride in celebrating the outstanding distinction conferred upon Mr. Rajeev Kumar Saxena, who has been honored with the prestigious “Teacher of the Year – 2025–26” Award by the SilverZone Olympiad Foundation.

This esteemed accolade stands as a well-deserved tribute to Mr. Saxena’s unwavering pedagogical dedication, intellectual rigor, and heartfelt commitment to mentoring scholars toward academic excellence. His innovative teaching methodologies and consistent encouragement have continually enriched classroom discourse, leaving a profound and transformative imprint on students' learning journeys.

The Little Scholars fraternity extends its warmest congratulations to Mr. Saxena on achieving this remarkable career milestone, alongside sincere appreciation to the SilverZone Olympiad Foundation for acknowledging educator excellence. Rooted in its culture of pedagogical distinction, the institution remains devoted to empowering inspiring faculty whose mentorship continues to guide and elevate the leaders of tomorrow.

SETU ORIENTATION SESSION

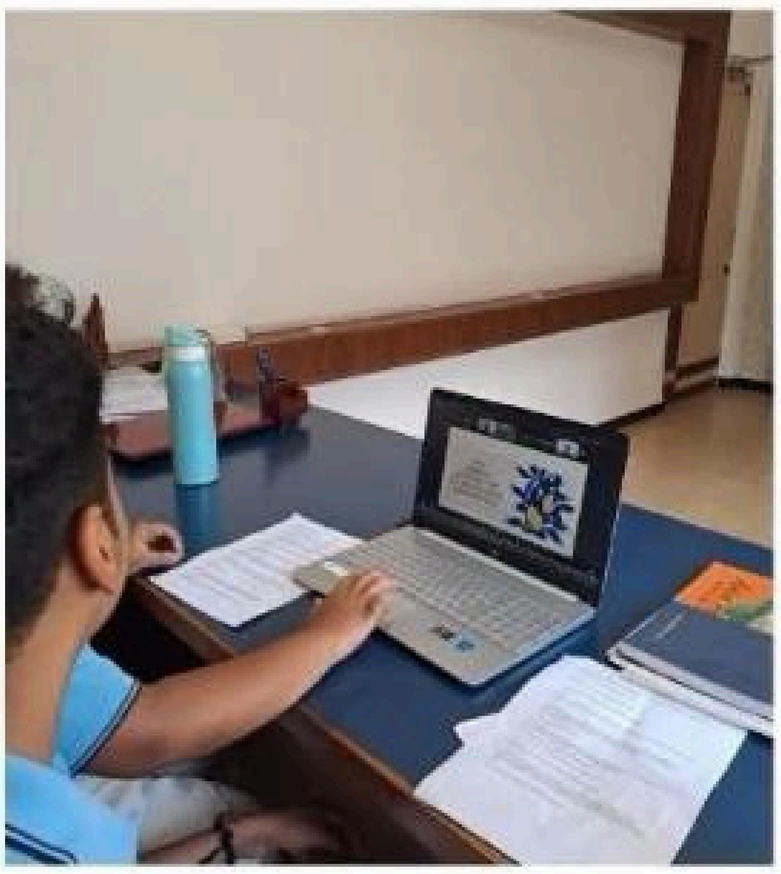

When young minds unite to envision a greener future, meaningful change begins through purposeful dialogue and shared inspiration. Little Scholars proudly hosted the SETU 2026 Orientation Session on 7th August 2026, centered around the vital theme of “Ecological Sustainability & Climate Resilience.”

The interactive online workshop engaged students, mentors, faculty, and resource persons across two specialized tracks: Group A (Grades 6–8), focusing on Ecosystem and Coexistence, and Group B (Grades 9–12), delving into Energy, Conscious Habitat, Resource Management, and Public Policy. Under expert mentorship, scholars gained valuable direction for their project formulations, examining how grassroots innovations and strategic policies can tackle environmental challenges.

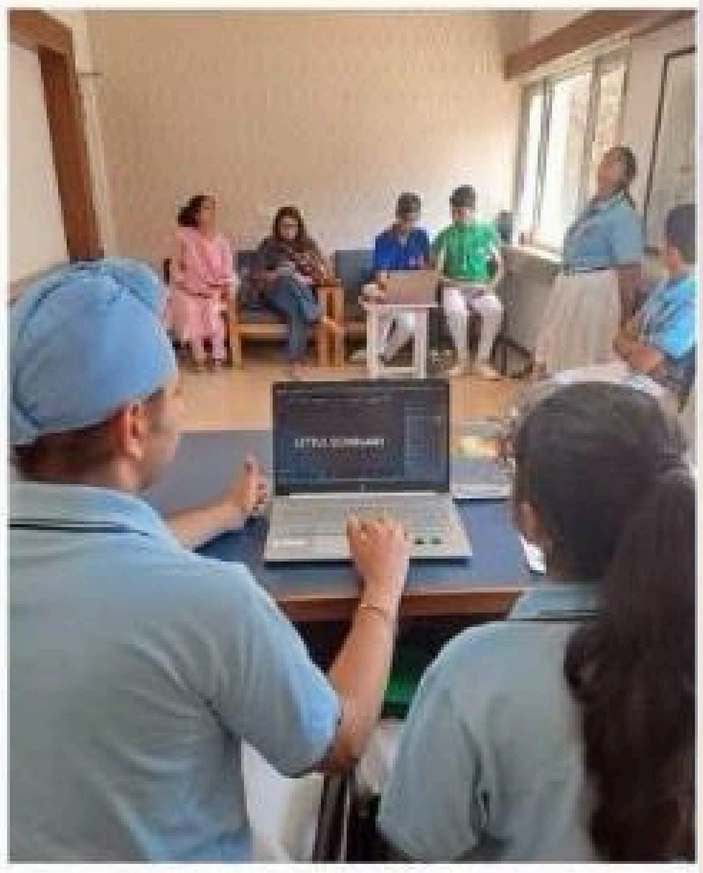

The institution extends heartfelt gratitude to all participating schools, mentors, educators, and scholars whose collaborative spirit made the session a resounding success. Guided by its motto of “Service Before Self,” Little Scholars remains dedicated to fostering ecological stewardship and empowering youth to construct a climate-resilient tomorrow.

MATH BEYOND NOTEBOOKS

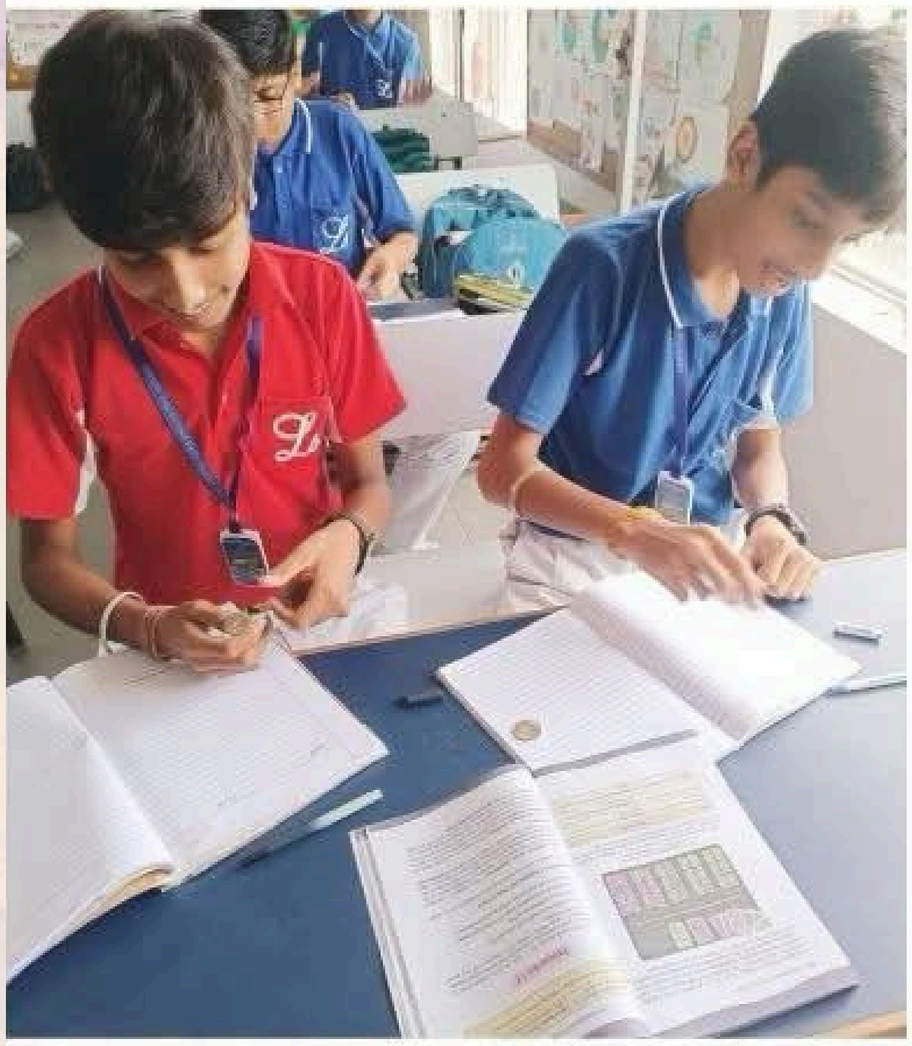

At Little Scholars, Kashipur, classroom learning came alive as academic spaces transformed into active mathematics discovery laboratories. Students of Classes IX-B and IX-C enthusiastically participated in an immersive Experimental Probability Activity designed to bring abstract theories out of textbooks and into direct practice.

Through interactive coin-toss trials and paper-cup distribution experiments, students engaged hands-on with the foundational principles of chance and prediction. The young learners methodically collected empirical data, computed probabilities, observed emerging patterns, and evaluated outcomes to see how statistical thinking governs decisions and predictions in everyday life.

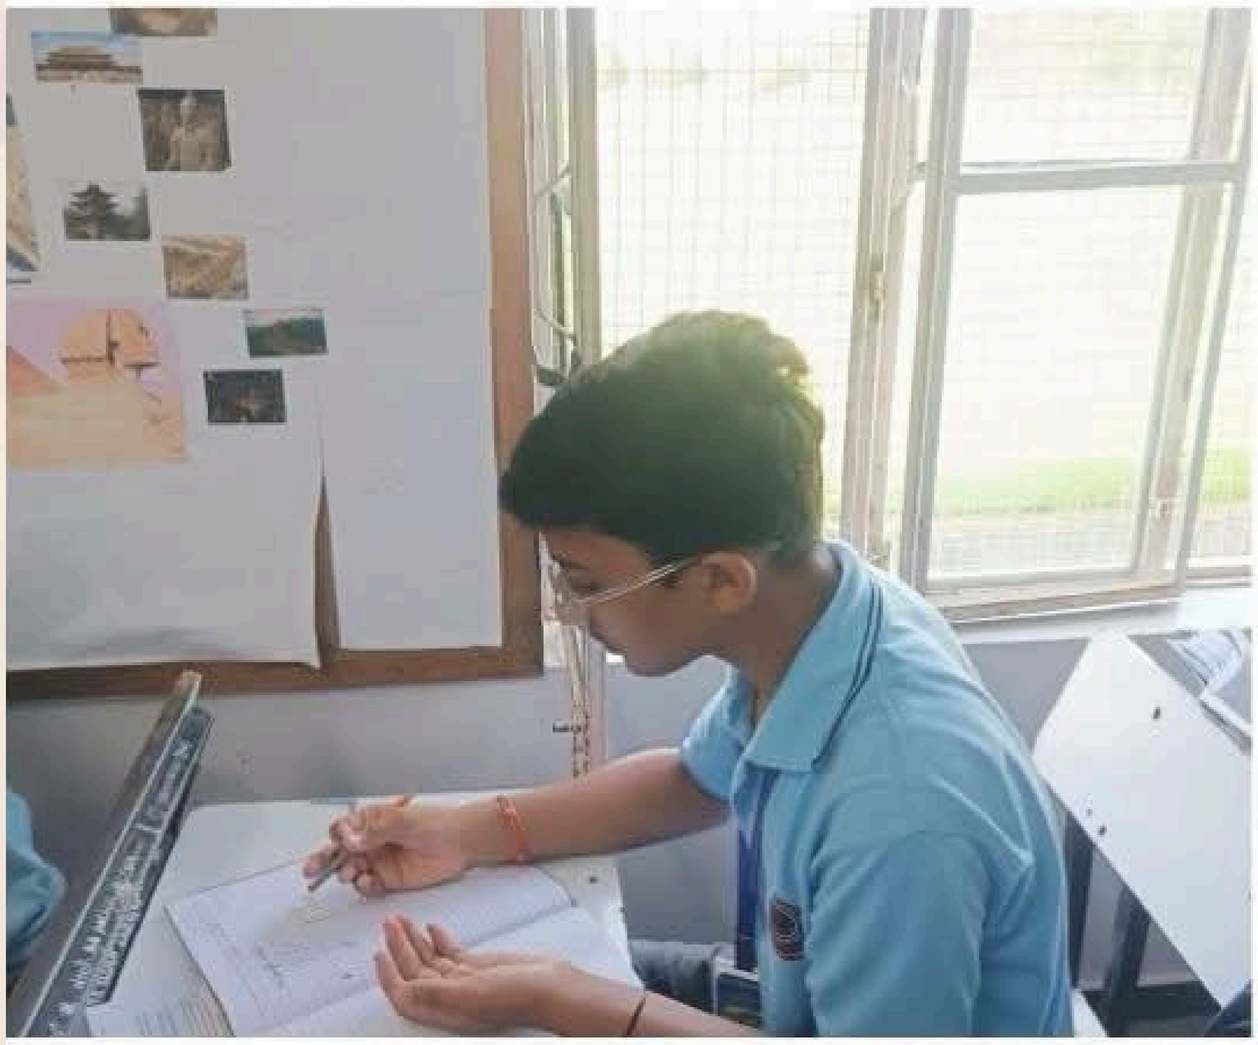

By championing experiential education—observing, testing, analyzing, and applying—the initiative succeeded in converting complex numerical formulas into meaningful problem-solving exercises.

The session demonstrated the school's ongoing commitment to fostering sharp analytical minds and inspiring an enduring fascination with mathematics.

Click here to view complete post

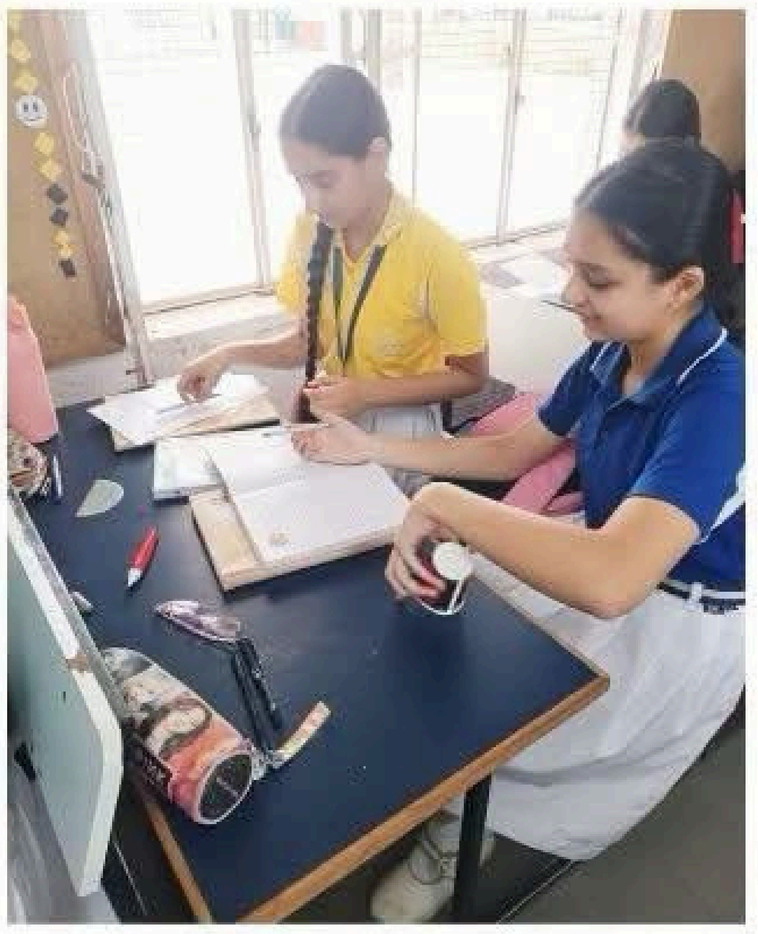

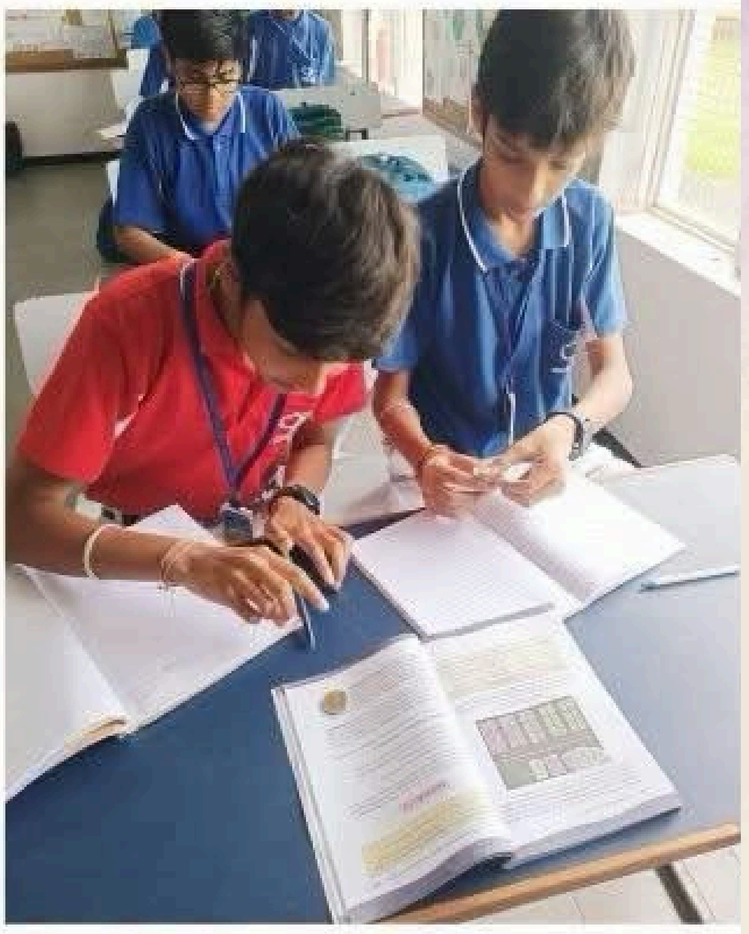

MATH EXHIBITION

Little Scholars Senior Secondary School, Kashipur, proudly hosted the Mathematics Project Exhibition 2026, an inspiring showcase where students of Classes X-C, IX-B, and IX-C brought mathematical theory to life. The interactive platform merged abstract numerical formulas with tangible creativity, turning classrooms into dynamic spaces of discovery and practical inquiry.

The exhibition highlighted an impressive variety of hands-on working models and conceptual displays spanning geometry, spatial measurement, real-world statistical models, and innovative mathematical applications. Throughout the demonstrations, our young scholars exhibited exceptional teamwork, polished presentation skills, and sharp analytical acumen, articulating complex ideas with striking clarity and confidence.

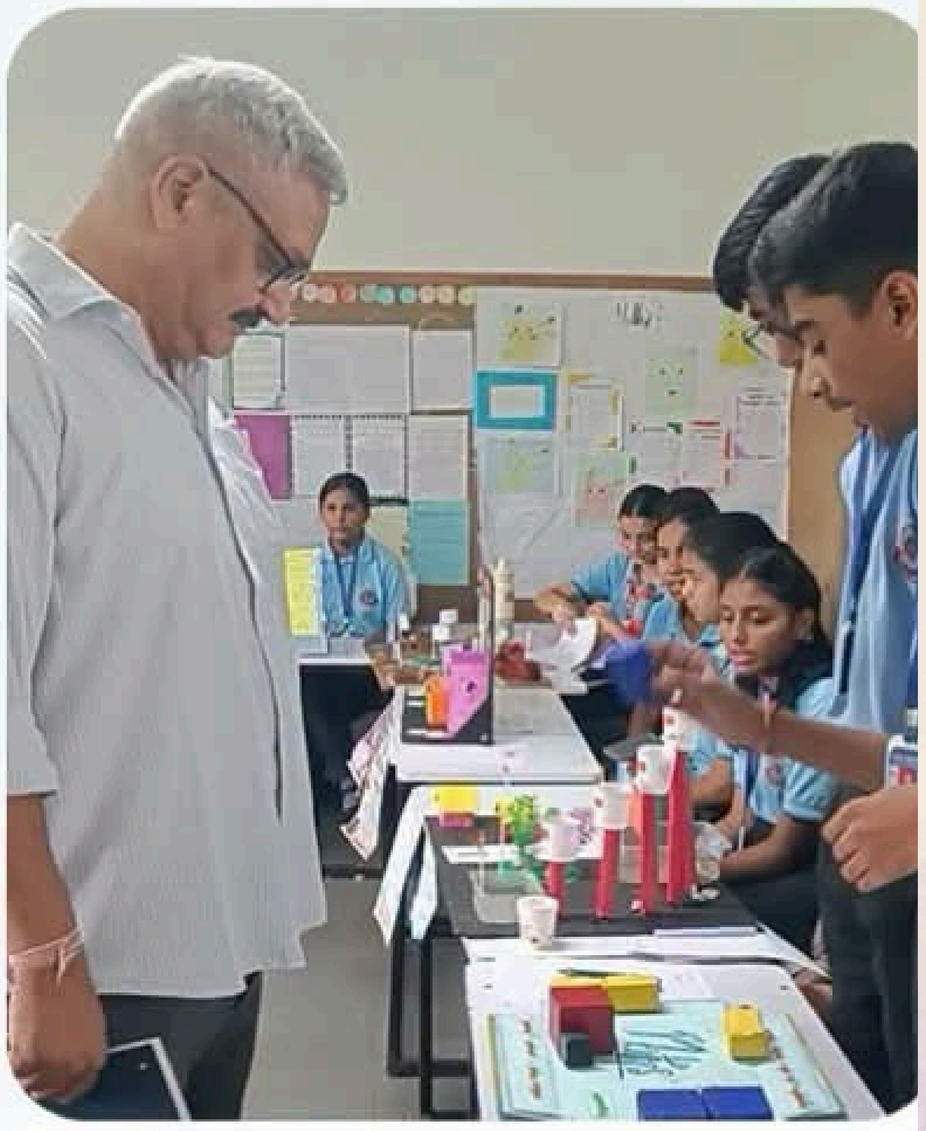

By emphasizing experiential learning, the event reinforced the enduring pedagogical philosophy that mathematics extends far beyond rote textbook problems into everyday life. The school community extends its sincere appreciation to all participating students and mentors whose dedication and inventive spirit transformed foundational equations into an extraordinary celebration of intellectual curiosity.

2026

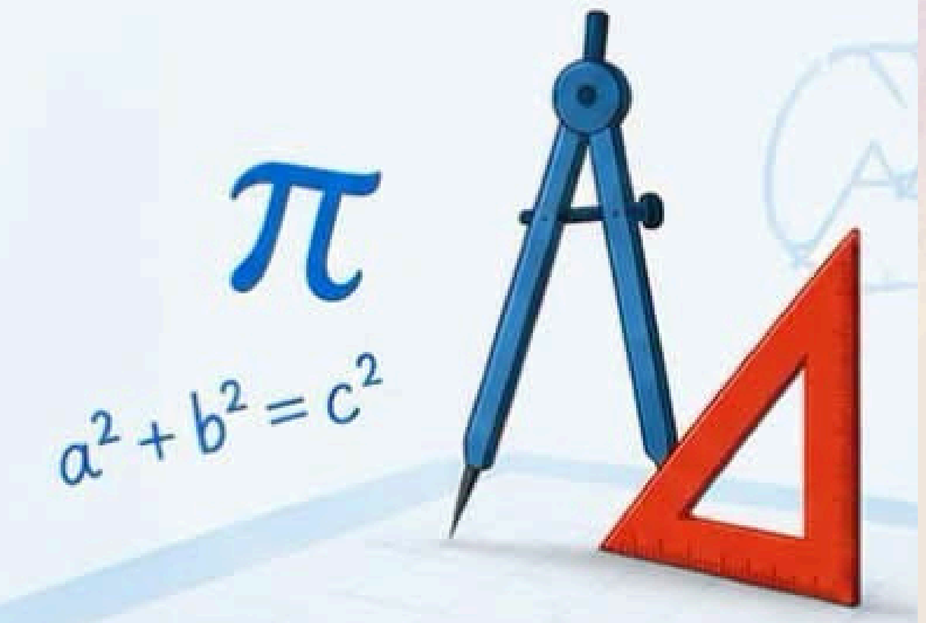

CLASS 10-C, 9-B & 9-C

The students of Class 10-C, 9-B, and 9-C enthusiastically showcased their creativity, innovation, and mathematical understandiing through a variety of engaging project models and activities.

From practical applications of geometry and measurement to creative mathematical concepts, students demonstrated excellent teamwork, presentation skills, and problem-solving abilities. The exhibition provided a wonderful platform for experiential learning and helped students connect classroom mathematics with real-life situations.

A special appreciation to all the students for their hard work, dedication, and confident presentations. Such activities truly make learning meaningful and enjoyable.

LEARNING BY DOING – THE BEST WAY TO LEARN MATHEMATICS

L.S. INNOVATION EXHIBITION

On 22nd August 2026, the campus of Little Scholars Senior Secondary School, Kashipur, buzzed with boundless curiosity, creative energy, and intellectual rigor during the much-anticipated Exhibition: Showcase of Learning. Grounded in the philosophy of experiential education, the event provided a dynamic stage where scholars brought abstract textbook concepts to life through tangible creations and active demonstrations. Across various academic disciplines, our enthusiastic students developed an array of working models, interactive displays, and multidisciplinary projects that reflected deep analytical understanding and practical problem-solving. Beyond academic proficiency, the exhibition nurtured essential life competencies, including collaborative teamwork, persuasive public speaking, and self-assurance, as young innovators articulated the real-world applications of their work to visitors.

The occasion was further enriched by the warm presence and encouraging engagement of parents, whose heartfelt appreciation added immense value to the students' diligent efforts. Upholding its defining motto of “Service Before Self,” Little Scholars continues to foster a vibrant learning ecosystem where young minds are consistently empowered to imagine, build, and lead.

Celebrations

INDEPENDENCE DAY SPECIAL

Little Scholars Senior Secondary School, Kashipur, commemorated Independence Day with profound pride, vibrant enthusiasm, and deep patriotic fervor. The campus resonated with national pride as the ceremonial unfurling of the tricolor set the stage for an array of spirited cultural presentations, evocative patriotic melodies, and thought-provoking student addresses reflecting unity, civic duty, and mutual respect.

Scholars graced the dais with remarkable poise and artistic flair, presenting a tapestry of performances that eloquently honored India’s enduring cultural legacy. Adding a competitive edge to the patriotic celebrations, Krishna House clinched the prestigious First Position, followed by Yamuna House securing Second Position, and Kaveri House earning Third Position for their outstanding thematic renditions.

The commemoration reaffirmed the institution’s enduring mission to nurture conscientious, forward-looking citizens dedicated to serving the nation with integrity and dedication. Reflecting on the profound sentiment that freedom endures through civic responsibility, the Little Scholars fraternity rejoiced in the collective pledge to keep India’s honor and progress burning bright.

Achievements

ALUMNI EXCELLENCE

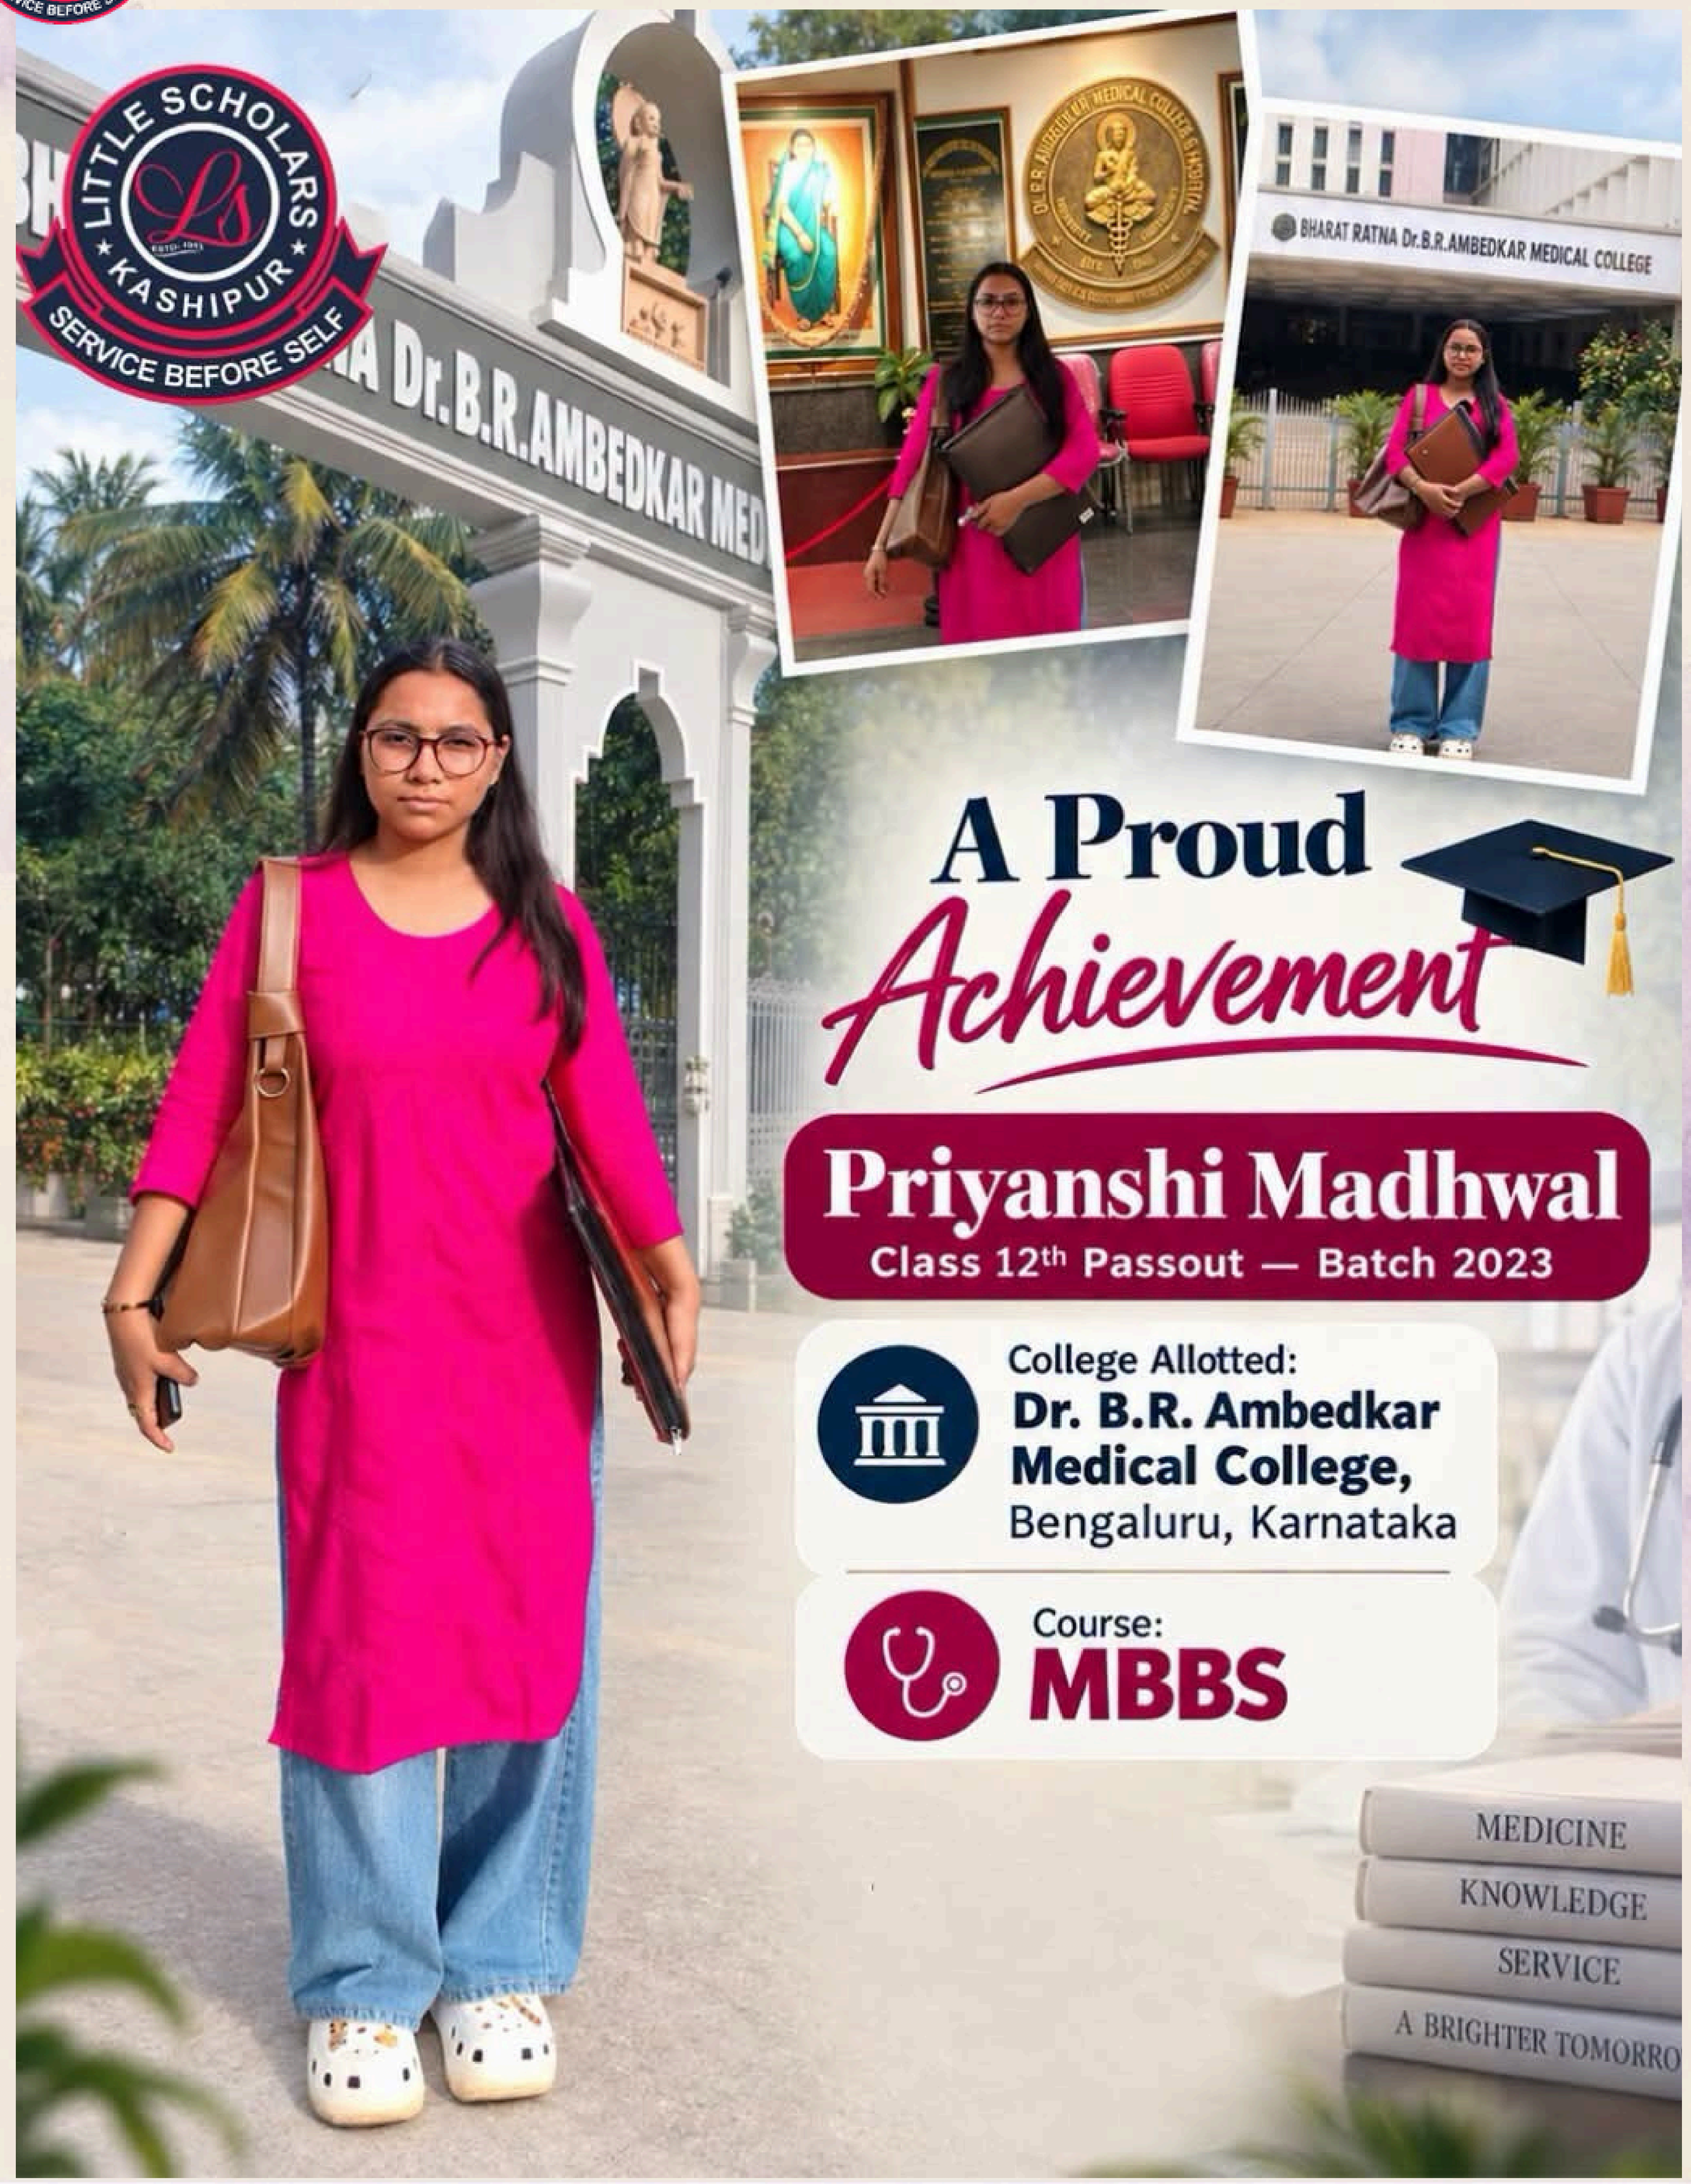

Little Scholars, Kashipur, proudly celebrates a momentous milestone achieved by alumna Priyanshi Madhwal from the Class 12 Passout Batch of 2023.

Taking a decisive step toward her ambition in healthcare, Priyanshi has secured admission to pursue her MBBS degree at the esteemed Dr. B.R. Ambedkar Medical College in Bengaluru, Karnataka.

Her advancement from foundational schooling to professional medical training stands as an inspiring testament to persistent hard work, academic focus, and disciplined preparation. This transition reflects the enduring values cultivated within the school, demonstrating how consistent effort and high aspirations translate into meaningful personal and academic triumphs.

The entire Little Scholars fraternity extends its heartfelt congratulations to Priyanshi on this outstanding achievement. As she embarks on this noble journey dedicated to healthcare and service, the institution wishes her sustained success, profound knowledge, and enduring purpose in serving humanity.

STRONG INDIA – STRONG UTTARAKHAND

On 28th September 2026, Little Scholars School organized a Drawing Competition under the Seva Sankalp campaign, centered on the theme “Strong India – Strong Uttarakhand.” Held as part of the broader statewide initiative running from 17th September to 17th October 2026, the event encouraged constructive civic engagement, service, and creative expression. Students across the school translated vital themes of nation-building, ecological preservation, community responsibility, and regional development into vibrant visual art.

The competition saw spirited participation across three distinct categories, with students demonstrating exceptional artistic technique and conceptual maturity. In Category I (Classes 3–5), Ritvik Rawat secured the First Position, followed by Priyank Mehta and Shlok Arya as joint Second Position holders, and Prankit Goel taking Third Position. In Category II (Classes 6–8), top honors were awarded to Manya Yadav, with Charvi Chaturvedi and Divyanshi Bali claiming Second and Third Positions, respectively. In Category III (Classes 9–12), Pawni Gupta and Anushka Agarwal jointly earned First Position, Sukhman Singh and Dashmeet Sahota shared Second Position, and Diya Rawat and Anusha Kaushik jointly attained Third Position.

The occasion was graced by Chief Guest Mrs. Mukta Singh, Manager of Summer Study Hall School, who commended the participants for their thoughtful and evocative compositions. Mrs. Ritu Bhalla, Manager of Little Scholars School, warmly received the Chief Guest and presented the formal vote of thanks, expressing profound pride in the students' ability to fuse artistic imagination with a deep sense of social and patriotic responsibility.

Celebrations

BAL KRISHNA UTSAV NURSERY

The pre-primary wing of Little Scholars Senior Secondary School, Kashipur, resonated with devotional fervor and joyful celebration during Bala Krishna Utsav, held on 3rd September 2026 at the Old Library in commemoration of Janmashtami. The campus came alive with festive spirit as young learners gathered to honor the cultural essence and cherished values of the sacred occasion. Dressed in vibrant traditional attire as Krishna, Radha, Meera, and Gwalas, the UKG students captivated the gathering with delightful recitations, brief thematic speeches, devotional bhajans, and graceful classical dance routines. A key highlight of the morning was the Bhajan Amrit singing competition, organized for scholars from Nursery through Grade 2, providing a welcoming stage for budding vocalists to render soulful devotional melodies with remarkable poise and confidence.

The celebration reflected heartfelt collaboration across the school community, made possible through the enthusiastic involvement of parents and the meticulous guidance of the foundational faculty. The joyful gathering successfully introduced our youngest scholars to India's rich spiritual heritage, instilling values of devotion, harmony, and creative expression from their earliest formative years.

BAL KRISHNA UTSAV PART 2

The pre-primary wing of Little Scholars Senior Secondary School, Kashipur, resonated with devotional enthusiasm and festive joy during the Bala Krishna Utsav, celebrated on 3rd September 2026 at the Old Library in commemoration of Janmashtami. The occasion provided a joyful platform for our youngest learners to experience and appreciate the cultural significance of the sacred festival.

Adorned in colorful traditional attire as Krishna, Radha, Meera, and Gwalas, the Nursery students took the stage with endearing confidence. The tiny tots presented charming thematic recitations, introductory speeches on the spirit of Janmashtami, melodious bhajans, and coordinated festive dances that reflected their emerging communicative and expressive skills.

A focal point of the celebrations was the Bhajan Amrit singing competition conducted for scholars from Nursery through Grade 2, highlighting the budding vocal talents across the early grades. The successful gathering was made possible by the dedicated support of parents and foundational educators, fostering foundational values of harmony, cultural awareness, and collective participation.

BAL KRISHNA UTSAV PART 3

The primary wing of Little Scholars Senior Secondary School, Kashipur, resonated with devotional enthusiasm and celebratory warmth during the Bala Krishna Utsav, hosted on 3rd September 2026 at the Old Library in honor of Janmashtami. The event offered students a vibrant, creative setting to understand and celebrate the cultural values and timeless teachings associated with the auspicious festival.

Dressed in ornate traditional attire as Krishna, Radha, Meera, and Gwalas, the students of Class 2 presented an array of confident stage performances. Their participation featured expressive poetry recitations, insightful thematic speeches on the significance of Janmashtami, devotional group songs, and graceful dances that showcased both their emerging public speaking skills and stage presence.

A major highlight of the morning was the Bhajan Amrit singing competition held for scholars from Nursery through Grade 2, where our young vocalists rendered devotional melodies with remarkable poise and melody. Through the joint dedication of parents and faculty, the program successfully fostered an appreciation for India’s cultural heritage, encouraging artistic confidence, discipline, and communal harmony.

TEACHER'S DAY SPECIAL

Little Scholars Senior Secondary School, Kashipur, commemorated Teachers' Day on 3rd September 2026 with immense warmth, enthusiasm, and profound gratitude. The campus resonated with admiration for the teaching fraternity as scholars gathered to honor the mentors whose tireless dedication, wisdom, and encouragement continue to shape character and guide academic pursuits.

The commemorative program commenced with an invocation prayer, paving the way for an array of expressive speeches, melodic musical tributes, and choreographed cultural performances presented by students across all grades. A prominent highlight of the morning was an evocative, heartfelt poem recited by the Principal, accompanied by an address underscoring the vital role educators play in instilling foundational values, resilience, and intellectual curiosity.

The celebration culminated in a cordial staff gathering and memorable commemorative group photographs, marking an atmosphere of mutual respect and unity across the institution. The event served as a heartfelt tribute to every teacher whose daily mentorship extends far beyond textbooks, creating an indelible influence that guides scholars throughout their lives.

ADVENTURE CAMP

Adventure, physical coordination, and experiential discovery converged at Little Scholars Senior Secondary School, Kashipur, as the campus hosted an engaging Adventure Camp for students of Classes 3 to 5. Organized directly within the school grounds under the careful supervision of certified and experienced instructors, the initiative provided young learners with a vibrant environment to test their agility, build physical endurance, and foster a healthy outdoor spirit.

The camp featured an array of dynamic outdoor challenges and recreational setups designed to test balance, strength, and spatial awareness. The energetic participants enthusiastically navigated obstacles including the Commando Net, Burma Bridge, Double Row Bridge, and Monkey Crawl, alongside engaging in trampoline routines, water rolling, boating, and inflatable play modules. Each obstacle prompted scholars to step outside their comfort zones, confront personal hesitations, and discover self-reliance through deliberate practice.

Beyond the exhilaration of the obstacle courses, the event served as a practical laboratory for instilling collaborative teamwork, mutual encouragement, situational problem-solving, and emotional resilience.

The day concluded amidst great cheer and a shared sense of accomplishment, reinforcing the school's pedagogical conviction that outdoor experiential learning is essential in cultivating confident, well-rounded, and adventurous young leaders.

Initiatives

STRESS MANAGEMENT WORKSHOP

Little Scholars School, Kashipur, organized a specialized Workshop on Stress Management on 10th September 2026, reinforcing the core belief that educator well-being is fundamental to fostering a positive learning ecosystem. The session was thoughtfully curated to provide the teaching fraternity with actionable methodologies to cultivate mindfulness, mental agility, and enduring resilience across both personal and professional spheres.

Led by esteemed CBSE Resource Persons Ms. Pooja Agarwal and Mr. Prateek Goyal, the interactive workshop provided an in-depth exploration of healthy workplace psychology. The discussion centered on understanding the underlying mechanics of stress, dispelling common myths, implementing practical time management frameworks, applying cognitive restructuring techniques, and practicing restorative deep-breathing routines.

By guiding teachers to navigate professional pressures with emotional balance and strategic composure, the initiative reinforced the transformative connection between educator wellness and student success.

Guided by its enduring philosophy of "Service Before Self," Little Scholars remains dedicated to investing in its faculty, ensuring they remain inspired mentors capable of shaping confident, future-ready scholars.

A Workshop on
Stress Management

was conducted on **10 September 2026** to empower our teaching fraternity with practical tools and strategies to cultivate well-being, mindfulness, and resilience in both personal and professional spheres.

Led by esteemed CBSE Resource Persons

Ms. Pooja Agarwal

Mr. Prateek Goyal

The session focused on:

- Understanding the mechanics of stress
- Debunking common myths
- Time management
- Cognitive restructuring
- Deep breathing & mindfulness practices

CBSE WORKSHOP 2026

Little Scholars School, Kashipur, successfully organized a comprehensive CBSE Capacity Building Programme on 15th September 2026, focusing on the theme "Storytelling and Pedagogy" for the teaching fraternity.

The workshop commenced with the traditional lighting of the lamp by the Principal, establishing a reflective and scholarly tone for a day dedicated to professional advancement and instructional enrichment.

The training was facilitated by eminent CBSE Resource Persons Ms. Muneera Siddiqui and Dr. Prashant Kumar, who conducted engaging and insightful modules on integrating narrative structures into core academic curricula. The sessions highlighted practical methodologies to demystify abstract concepts, invigorate active classroom participation, and cultivate immersive, experiential learning environments through creative pedagogical storytelling.

By equipping educators with fresh instructional frameworks and dynamic communication tools, the program reaffirmed the school's conviction that empowered teachers inspire confident, curious scholars.

Guided by the principle of "Service Before Self," Little Scholars remains committed to continuous professional development, ensuring classroom delivery consistently aligns with progressive, high-impact teaching standards.
