**EDITION IV**

# WELCOME NOTE – LS MUN'26

*It is with immense pride and enthusiasm that we welcome you to the Fourth Edition of LS Model United Nations 2026, hosted by Little Scholars School, Kashipur.*

*Over the years, LS MUN has grown into a platform where young minds come together to engage in meaningful dialogue, challenge perspectives, and explore solutions to some of the world's most pressing issues. What began as a vision to promote awareness and diplomacy has now evolved into a tradition of excellence, leadership, and intellectual exchange.*

*As we step into the fourth edition, LS MUN 2026 continues its commitment to fostering critical thinking, diplomacy and global citizenship. This conference aims to empower students to speak with confidence, listen with empathy, and lead with responsibility. Through rigorous debates, collaboration, and negotiations, delegates will not only represent nations and institutions but also embody the spirit of diplomacy itself.*

*We invite you to be a part of this enriching journey — one that promises learning, growth, and unforgettable experiences. Let LS MUN 2026 be a space where ideas are shaped, voices are heard, and future leaders are forged.*

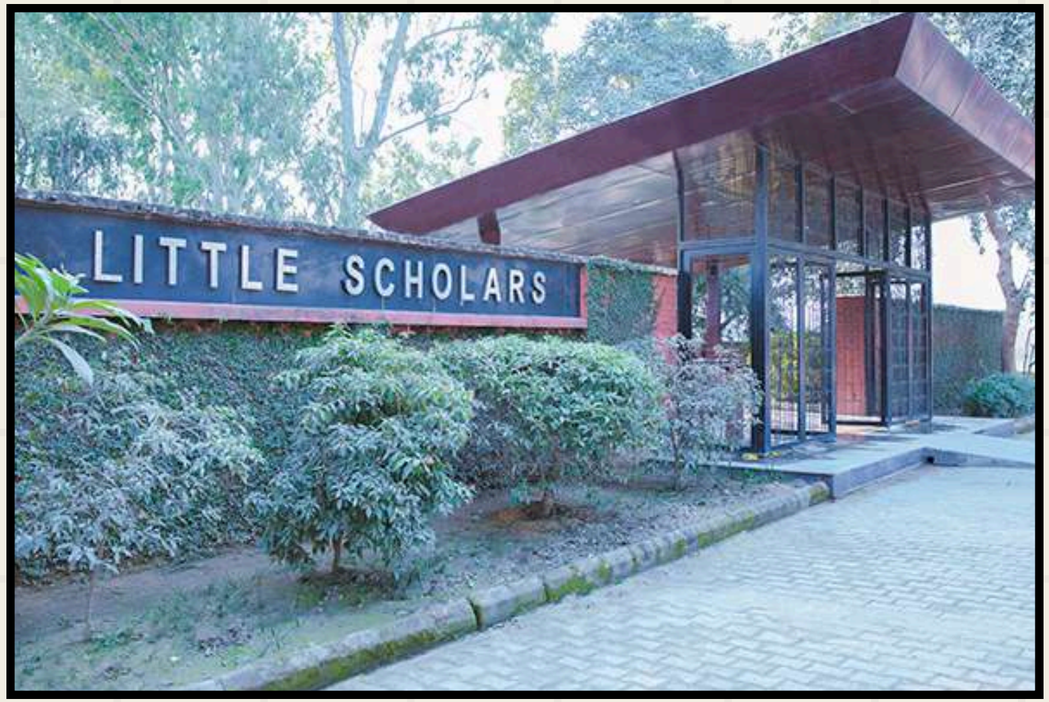

*We look forward to welcoming you to three days of debate, diplomacy, and discovery.*

# ABOUT LITTLE SCHOLARS

*Little Scholars school is a co-educational CBSE affiliated institution established in 1983 at Bhalla Farm in Kashipur, U.S.Nagar. At the school, we consider our curriculum from philosophical and eclectic perspective, with a view to develop each individual's potential to the optimum.*

*The school aims at promoting an institution which caters to children without discrimination of caste, colour, creed or status in any respect whatsoever. Indian traditional values are inculcated so that children grow up with awareness of our society and the roots of our culture. Every child is also encouraged to develop sound ethical values and a strong moral fibre to be a worthy member of the world community.*

# WHAT IS MODEL UNITED NATIONS?

EdXcursions

*Model United Nations (MUN) is an educational simulation of the United Nations where students take on the role of diplomats representing different countries and debate real-world global issues. It provides a dynamic platform for young people to engage with international affairs while developing essential skills such as public speaking, research, negotiation and diplomacy. Through this experience, participants gain a deeper understanding of how multilateral institutions function and how global decisions are shaped through dialogue and diplomacy.*

*Delegates are assigned to committees that mirror actual UN bodies such as the Security Council, General Assembly, WHO and UNESCO, each focusing on a specific agenda. Following formal rules of procedure, students participate in moderated and unmoderated debates, draft working papers and collaborate on resolutions aimed at addressing complex international challenges. This process encourages teamwork, persuasive communication and strategic thinking while teaching the importance of respecting diverse perspectives.*

*Beyond academics, MUN builds confidence, leadership and cultural awareness. It empowers students to think critically about global problems, understand the interconnectedness of nations and propose practical, cooperative solutions. By simulating diplomacy in action, MUN inspires young minds to become informed, responsible and engaged global citizens prepared to contribute meaningfully to the world.*
